Washington Monthly Update

Dixon Spirit!: Our DHS Football team, Cheerleaders, and Dance Team welcomed out students into the building on the morning of their Senior Night. They school spirit and smiles were priceless!

Trunk or Treat (Above and Left): We held out annual Trunk or Treat. Businesses planned for 400 kids, and we surpassed that! Families were lined up around the blacktop the entire event. Local businesses handed out goodies and had games for kids to play. We are thankful for the community and family support! Shout out to our Task Force who planned this wildly successful event!

Washington Monthly Update

Grow Getters (Above): Going along with our school theme of "Growing Together", we honor students who are true "Grow Getters" at Washington School. Staff nominates students who are kind, hard workers, and all around positive role models. These students are announced and they sign our Wall of Fame!

Thankful for our Staff! (Below): Help us celebrate our amazing Washington School staff by sharing a note of appreciation! Each submission will be printed and displayed outside the staff member's classroom. Each year, we receive around 100 heartfelt messages reminding us why Washington School is such a special place to learn and grow. Let's show our staff how much they are appreciated!
