More fun ways to promote good attendance!

Mrs. McPhillips' class had the most ghosts on our attendance board for October and got to get their picture taken with Mr. "Bagel" (costume voted on by the students).

Fellowship of Christian Athletes makes a difference!

Fellowship of Christian Athletes (FCA) recently went on a field trip outside of school hours in cooperation with our RMS group. Pictured below are our Madison students with Mrs. Bork and Mrs. Haas as chaperones. Dixon FCA students prepared enough meals to feed 104 children for 1 year!

K-Kids making a difference!

Through their annual "ghost pop" sales, K-Kids raised $580 (new record!). Students voted to donate the money to Granny Rose Animal shelter and Kitzman's animal sanctuary. Students make, promote, and do all the sales for this charitable endeavor!

Dixon Architecture Tours!

On a beautiful sunny fall day, 4th graders got to explore the town of Dixon and its rich history thanks to many generous volunteers. Many thanks to the Dixon Chamber for their support of this experience for our students and a special shout out to local historian Mr. Tom Wadsworth who came in again to prepare our students for their trip with a presentation about the history that makes Dixon a special place to be!

Celebrating a successful Quarter #1!

Our first quarter celebration was held to step back and recognize all our students and staff have already accomplished this school year! Stations included ice cream, a dodgeball tournament, toilet paper mummies, and a water bucket brigade. A great time was had by all!
