BELDING AREA SCHOOLS
BOARD OF EDUCATION
MEETING

NOVEMBER 16, 2026

VOLUME LXIV

FOR ACTION

SUBJECT: Camera System Update Request

Background and Findings:
Our administrative team has requested to update our camera system for all Belding Area Schools buildings to ensure additional monitoring and safety of students and staff. The purchase will be funded by 31aa safety grant dollars. A quote was received from Electromedia for the purchase and system update of the cameras. All information has been shared with board members.

Recommendation:

It is recommended that the Board approve the camera purchases and system update for the Belding Area Schools from Electromedia.
