6. MONITORING REPORT – School Report Card Comparison Data

A. SUBJECT

This item is included on the agenda so the Board of Education can be updated on the 2025-2026 School Report Card data.

B. INFORMATION

The Superintendent will provide the Board of Education with recently released 2025-2026 School Report Card data. Comparison data from McHenry County districts as well as other districts throughout the state with similar demographics will be reviewed. Summative designations will also be discussed by the Superintendent.

This is an informational report only. No formal Board action is required.
