Agenda Item Title: Policy 621 Literacy and the Read Act
Time Allotted: 5-10 Minutes

Strategic Plan Areas of Focus: Operational Effectiveness

Purpose: This is a second reading. The proposed revisions to Policy 621 are technical updates to align with Minnesota's READ Act, enacted in 2023 and amended in 2024 and 2025. The updates clarify statutory language related to evidence-based reading instruction, literacy screening and interventions, staff training, and reporting requirements. The revisions also reflect updated implementation timelines, including requirements taking effect in the 2026–2027 school year. Administration recommends approval as written.
