Superintendent's STUDENT LEADERSHIP ADVISORY COUNCIL

2026-2027

Caroline

I would like to serve on the SSLAC because I would represent Highland's student voice and improve our school for all students.

Caroline

What am I participating in at HMS?

- **Student Council Classroom Rep**
- **SSLAC**
- **Choir**
- **Book Club**

Caroline

If a family moving to the area asked you to describe HMS in three words, which words would you choose?

- **Community**
- **Supportive**
- **Friendly**

Caroline

If you could redesign any space at HMS, what would you change and why?

- **I would update the art pieces on the walls more often. It's nice to see new art created by a friend or even my art on the wall!**

Caroline

School Board Decisions - like budget approvals, calendar changes, or policy updates - affect our day to day lives as students. How can SSLAC help translate Board decisions back to HMS so students feel more connected to the decisions being made?

- I think after each board meeting, we could provide a morning annoucement updating students.
- We could also make a Board Briefs sheet to put up on Buzz Boards around school. The sheet would highlight the important decisions made at the meeting.
