Prepared by Dr. Jeffrey Alstadt
Approval of 2026-2027 Stipends

Purpose
The Board of Education annually reviews and approves extra-duty, academic, and athletic stipends to support student programs, building leadership, and extracurricular activities across the district.

Background and Information
The list details the recommended stipend assignments for the 2026-2027 school year across Centennial, Kimes, and Northlawn.

Positions include grade-level and team coordinators, school improvement, MTSS intervention, mentoring, building technology, fine arts, student clubs, and interscholastic athletics in accordance with the collective bargaining agreement.

All associated stipend costs are accounted for in the district's budget.

Administrative Recommendation
It is recommended that the Board of Education approve the 2026-2027 Stipends as presented in the consent agenda.
