From:	Curt Saindon, Assistant Superintendent for Business Services/CSBO
Date:	November 12, 2026
Subject:	Notice of Public Hearing on Proposed Section 17-2A Fund Balance Transfer

---

Per Section 17-2A of the Illinois School Code (105 ILCS 5/17-2A), school districts can permanently transfer monies between various funds, after providing proper notice of a public hearing, conducting a public hearing and complying with certain legal conditions and provisions related to the proposed transfer. After providing proper notice and conducting a public hearing, and assuming there are no significant objections by the public and/or concerns raised by the Board, all that is required is the approval of a Resolution by the Board acknowledging their legal authority to make said transfer and directing the Administration to execute said transfer. A Notice of Public Hearing was placed in the Naperville Sun on November 4th (between 7 and 30 days prior to the public hearing, as required by law) and said public hearing is scheduled to take place tonight, prior to any Board action being taken on the proposed transfer. As always, if you have any questions please do not hesitate to let me know. Thank you.
