IMPORTANT SHIPPING INFO: Most of our locker products are shipped via common freight carriers and are shipped on banded & shrink wrapped pallets. You are responsible to remove your order from the truck and the truck driver is under no obligation to help unload. Inside delivery, lift gate, residential delivery and appointments are available at additional charge. Any accessorial charges utilized at the time of delivery will be added to your invoice.

IMPORTANT DAMAGED GOODS INFO: Your locker order will be packaged with the utmost care to ensure that your order is complete and arrives in acceptable condition, however, it is vital that inspection of goods be made upon receipt to ensure completeness of order and to inspect for damages that may occur during transit prior to signing delivery receipt. CAUTION: When you give the delivering carrier a clear receipt for a shipment in which there is damaged merchandise, concealed or visible, or a shortage; the carrier is relieved of further responsibility. Make sure to take the time needed to inspect lockers for damage, unwrapping the plastic and noting damage on the delivery receipt. Claims for damage or shortage must be filed by you with the delivering carrier. Claims for shortages must be made in writing to Jorgenson Lockers within 2 business days of receipt of shipment. Failure to note damages and shortages at time of receipt may impact any refunds you receive.
