**School Report Card Data:**

Celebrations:

Approaching Exemplary status

10th grade students were 1st in ELA and 2nd in Math proficiency compared to the 9 area schools, 9th grade was 2nd in ELA and 11th grade was 1st in growth in ELA.

The Graduation Rate rose from 95% to 97.9%. That is a 20 point increase over the last 6 years.

We will continue to focus on the critical factors influencing high school graduation that we can control: 9th Grade on track, attendance and credit recovery.

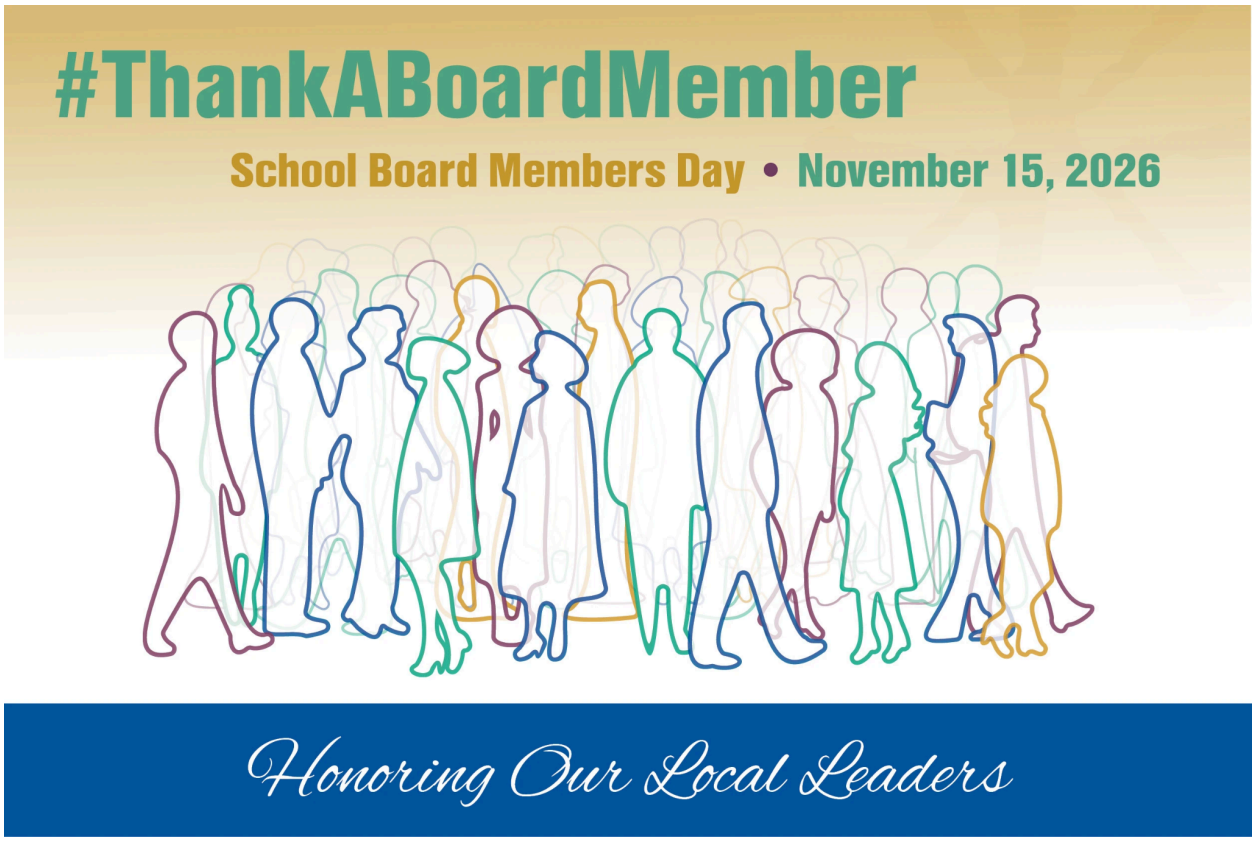

9th grade on track stayed consistent at 96.6%.

We celebrate the hard work of the faculty and staff at PHS in implementing these new programs. We plan to implement a Lunch and Learn program in the library during lunch for all Freshmen with missing assignments.

Opportunities for Growth

Absenteeism rates continue to be an area of concern. We have shown improvement and are actually 1.5% better than the state average, but we have work to do in order to meet our goal of 85% consistent attendance.

We will continue to use all of our resources to improve attendance.

The faculty and staff at the high school would like to thank all of our School Board members for the support we receive on a daily basis.

**FNB Senior of the Month**: Kooper Cole

**Radio Students of the Month:**
9th Tymber Everly
10th Lainey Clavin
11th Jax Czaikowski
12th Conner Beyers
