Re: SIP Program Committee

The SIP Program Committee met October 19 and November 9 to discuss and provide a recommendation for the 2027-2028 school year. The committee recommended adjustments to the student and teacher schedule based upon the new school day structure, as noted below:

The committee recommended no more than 12 School Improvement Days, excluding the last day of each semester, for the 2027-2028 school year. The days have been noted in the updated calendar and are the following:

- 9/9/27
- 9/23/27
- 10/7/27
- 10/28/27
- 11/18/27
- 12/9/27
- 12/22/27 (last day of 1st semester)
- 2/3/28
- 2/17/28
- 3/16/28
- 4/20/28
- 5/4/28
- 5/26/28 (last day of 2nd semester)

Thank you and please let me know if you have further questions.
