CONSENT AGENDA ITEM: Approval of Expenditures for Replacement Technology from CDW, LLC

SUBMITTED BY: Lynn Pence, Director of Educational Technology

PRESENTED BY: Sheryl Castro, Executive Director of Curriculum and Assessment

The District is requesting Governing Board approval of a purchase addendum with **CDW, LLC** to replace aging technology at all four elementary schools: Canyon View, Manzanita, Sunrise Drive, and Ventana Vista.

This initiative provides new Chromebooks for all students in grades 2nd through 5th, ensuring they have reliable, up-to-date devices to support their curriculum. This is an outright purchase totaling \$874,102.46, which will be settled in a single payment.

By refreshing this hardware, the District continues its commitment to maintaining a robust and equitable technological infrastructure for our elementary learners. The funding source for this purchase is utilizing capital override funds.

RECOMMENDED MOTION: I move that the Governing Board approve the purchase of new student devices from CDW, LLC in the amount of \$874,102.46 for replacement technology at the elementary schools, as presented.
