Re: IASB Joint Annual Conference & Delegate Assembly

Members of the Board of Education will discuss participation in the upcoming IASB Joint Annual Conference in Chicago, November 20-22, 2026. This event provides a broad range of focused learning opportunities to support the school board members and administration leadership learning.

A key component of the conference is the IASB Delegate Assembly, scheduled for Saturday, November 21. Every member school district is entitled to one voting delegate, who will vote on the following.

- Whether to adopt a proposed resolution as an official IASB Position Statement.

The Board will discuss the proposed resolutions that will be voted on at the delegate assembly.
