November Board Meeting

## Updates

November is National Native American Heritage Month. Northome's Indigenous Coordinator has been working really hard to honor the Native American Heritage. Each day they are sending the Ojibwe word of the month, they are working with the high school students on creating a storybook they could read to the elementary students, and many other activities.

November also celebrates Veteran's Day. The Veteran's Day Assembly happened on Thursday, 11-12-26. Veterans from our community joined us as we honored them and their families. Afterwards they joined us for lunch. The elementary students participated in a coloring contest and the high school students participated in a writing  contest.

- **Elementary**

The book fair was the beginning of the month of November

- **High School**

The high school band and choir participated in a trip to the Chanhassen Dinner Theater,
