LJSD Board of Trustees
Transportation Report - November 18, 2026

Summer Bilski - Transportation Director

- Just Finished with Trunk or Treat. The kids loved our Haunted bus. We had a few kids cry coming off the bus so we might scale back next year. But it was a hit.
- We are getting things worked out with Cup of Grace for Transportation to volunteer for their soup kitchen in Spirit Lake
- I have to set up another meeting with Mountain View(Paul) to finalize details for the upcoming fundraiser we will be doing for Mountain View students
- This is sick season so my office has been driving a lot more but I'm happy to have a trainee that will be testing in the next couple of weeks which is exciting.
- Got everyone's Winter (Chain up) training and Snow Scout routes finalized in the event we have weather.
- Looking forward to Transportation's next PD training with Kelsie Badger and her team next week.
