Nutrition Services Report - November 18, 2026

Chaar Boyd - Child Nutrition Director

Nutrition Services Updates:

October 2026

Meal Counts:

Actual	Budget	YTD	YTD/Budget	Prior YTD
41,350	48,657	70,705	84,454	84,358

Sales $:

176,996	214,886	299,217	365,931	357,250

We are almost there with staffing. The central kitchen is solid with the production manager's replacement in place and training. Still searching for a couple more part-time positions.

In October, we were able to get both à la carte stations at the middle schools up and running, as well as the FFVP program.

Planning to get delivery trucks in for thorough service jobs (preventative) and undercoating for the decks, asap.
