Strategic Plan Areas of Focus: Operational Effectiveness

Purpose: This is a first read policy review for Policy 506. Changes that are specific to 194 are in XVI letters C-J. Other items are covered in the student handbook. We do not need to adopt policy language in these areas, but they are in place in all of our surrounding districts.
(The 2024 Minnesota legislature enacted this provision, which does not require a school board to adopt policy language. School districts may determine whether to adopt policy language.)
