MIDDLE SCHOOL BOARD REPORT
November 2026

AUGUST STUDENTS OF THE MONTH

Students of the Month for August were recognized for their dedication to **RESPONSIBILITY.**

8th Grade - Spencer

7th Grade - Delaney

6th Grade - Sofia

Our Spotlight Student was nominated by a staff member for how she always knows when someone needs a friend.

Spotlight Student - Scarlett Hurt

SEPTEMBER STUDENTS OF THE MONTH

Our Students of the Month for September were chosen by staff for their **RESPECT.**

8th Grade - Joe McFarland

7th Grade - Joshlynn Rhoades

6th Grade - CeCe Boyd

Our Spotlight Student was nominated by a staff member for his kindness, positive attitude, and for how hard he works, even if it is diffcult.

Spotlight Student - Oliver Wheat

OCTOBER STUDENTS OF THE MONTH

Our Students of the Month for October were chosen by staff for their **HONESTY.**

6th Grade - Bethany Stender

7th Grade - Jace Bray

8th Grade - Spencer Clark

Our Spotlight Student was recognized by a staff member for going out of his way to help a fellow classmate who was upset about something, guiding him to the office.

Spotlight Student - Brady Jones

FAMILY CONFERENCES

The Middle School had a great turn-out for conferences. Our teachers' schedules were packed. Since each core teacher has at least 100 students each day, it is difficult to have enough room for every family to schedule since there are only around 28 time slots available.

HIGH SCHOOL/MIDDLE SCHOOL POTPOURRI CONCERT

The annual Fall Potpourri Concert was held on October 28th. The students had an amazing performance, demonstrating all of the hard work they, and Mr. Damann, have put in this year. As always, it was a rewarding experience.

LOGAN COUNTY CAREER SPARK

On Friday, November 6th, the 8th Graders took a short field trip to the Lincoln Rec Center to participate in the Logan County Career Spark. Students were exposed to all types of careers from medical to the trades. They were even able to participate in some learning activities with the LTEC Students so they know what is available when they are scheduling classes in high school.

ONLINE SAFETY PRESENTATION

On October 22nd we had a dynamic presentation for Online Safety. Clint Wier spoke for an hour and the students were 100% engaged the entire time while presenting serious and sensitive topics in an age appropriate way. After the students exited the gym, he raved about how well behaved and respectful the 6th - 8th graders were the entire time.

LIFE SKILLS CLASS FIELD TRIPS

The Life Skills class is a new addition to the middle school this year. In alignment with the name of the class, Miss Sullivan has planned field trips for her students so they can gain skills they need for life. Examples of planned trips include eating at a restaurant and all that entails, preparing a postcard/letter and using the post office correctly, planning a treat and shopping for the ingredients, etc. We are excited for these students to have these enriching experiences.
