ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: November, 16 2026

AGENDA ITEM: Aledo High School Weight Room Equipment

PRESENTER: Caleb Bell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs $50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- Aledo ISD is partnering with the Aledo High School Men's Basketball, Women's Basketball, and Cross Country programs to make improvements to weight room equipment and layout. These improvements are necessary so that more students can have simultaneous access to this weightroom without sacrificing the quality of the strength and conditioning program.
- Booster organizations for these programs have generously donated $45,000 toward the project. The district has received Sorinex Exercise Equipment, Inc. Quotation 60103 for professional-grade weight room equipment including dual-sided half racks, half racks, performance bars, bumper plates, change plates, selectorized lat pull/low row machines, functional cable columns, med ball storage, and professional installation, calibration, and inspection. The total quotation amount is $85,134.47.
- The District will accept the $45,000 booster donation and fund the remainder of $40,134.47.

FISCAL INFORMATION: Total cost of $85,134.47 will be funded by a $45,000 booster donation with the district remainder of $40,134.47 from 2023 Bond Funds.
