ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: November 16, 2026

AGENDA ITEM: Consider Approval of of Class Size Waivers

PRESENTER: Kim Raymond, Deputy Superintendent

BACKGROUND INFORMATION:

- In accordance with Texas Education Code, districts are required to maintain a student–teacher ratio of 22:1 in kindergarten through fourth grade. When class sizes exceed this ratio, districts must seek a class size waiver from the Texas Education Agency. At this time, several of our elementary classrooms have enrollment numbers above the allowable threshold. While we remain committed to providing students with a high-quality learning environment, factors such as enrollment growth, staffing allocations, and timing of student registration have created the need to request a waiver. Approval of these waivers will ensure we remain in compliance with state requirements while continuing to monitor enrollment and make adjustments to best support our students and teachers.
- In September the Board approved waivers for 2-kindergarten classes, 2-first grade classes, 3-second grade classes, 1-third grade class, and 11-fourth grade classes.
- The District is seeking the following class size waivers due to increased enrollment:
    - McCall
        - Second Grade: 2 classes at 23
