Recommendation(s):

Recommend approval of the $5,000 Office Depot Start Proud Teacher Support donation benefiting 40 teachers/counselors at West Milwaukee Intermediate School.

Purpose:

To comply with Board policy 7230. Upon approval by the Board of Education, Office Depot will provide 40 teachers/counselors with a total of $5,000 to purchase classroom supplies and instructional materials. Each participating staff member will receive approximately $125 to use toward materials that support classroom instruction and student learning.

Background:

Office Depot, in celebration of its 40th anniversary, has offered to partner with West Allis-West Milwaukee School District through its Start Proud Teacher Support Event. As part of this initiative, the Office Depot West Allis location has been allocated $5,000 in classroom support funding to benefit approximately 40 District teachers or instructional staff members.

The $5,000 will be distributed among participating staff members in the form of funds to purchase classroom supplies and instructional materials at the West Allis Office Depot location. In addition, Office Depot will provide 25% back in store credit on qualifying purchases, further extending the benefit of the contribution. The event will also include dedicated shopping time for participating staff, along with complimentary refreshments.

This opportunity is intended to recognize and support District educators by providing additional resources to enhance classroom instruction and meet student needs.
