November 16th Board Recognitions

Employees of the Month (October)	Millsap Elementary School - **Mrs. Btittany Eason** Millsap Middle School - **Mrs. Misty Kiesendahl** Millsap High School –	**Williams** **Thornton** **Deaver**

MISD Employees of October 2026

Millsap Elementary School – Mrs. Brittany Eason (Kindergarten Para)

Brittany is so deserving of this recognition! She works with students who can bring unique challenges each day, and she consistently shows up with a positive attitude, flexibility, and a willingness to do whatever is needed. Her consistency, patience, and dedication make a difference in the lives of our students and are truly appreciated. We are lucky to have her on our team!

Millsap Middle School – Mrs. Misty Kiesendahl (Paraprofessional)

We are proud to recognize Misty Kiesendahl as our Staff Member of the Month!

At the beginning of this school year, we identified a need to establish a behavioral support unit on our campus. Without hesitation, Misty volunteered to take on this challenging role, and she has done an outstanding job.

Misty has demonstrated tremendous dedication by consistently following established protocols, maintaining high expectations, and holding firm boundaries. However, what truly sets her apart is the empathy, patience, and genuine love she shows him daily.

Through her commitment to building meaningful relationships, Misty has made an incredible impact on a student who is now flourishing in ways that, according to his previous educational records, he had not before. She has shown that structure, accountability, and compassion can go hand in hand.

Misty is a wonderful example of the difference one person can make in a student's life. We are incredibly fortunate to have her as part of our team.

November 16th Board Recognitions

Millsap High School - MHS Staff Members

An extraordinary month necessitates an extraordinary response….

A Recognition of Extraordinary Service, Compassion & Commitment

Typically, we recognize one Staff Member of the Month at Millsap High School. But this month has been anything but typical. This month, we have witnessed something extraordinary.

In the midst of unimaginable loss, our MHS family has been faced with challenges that no one could have anticipated. There have been gaps to fill, responsibilities to shoulder, and students who have needed us more than ever. And without hesitation, these individuals have stepped forward.
