Syrena Rivera, Instructional Coach

Submitted by: Hannah Christie & LMS Admin Team

Syrena Rivera is an instructional coach who demonstrates the portrait of a teacher by building strong and trusting relationships with our students, families, and staff. Syrena is what we refer to as a Swiss Army knife--as she can do SO many things and do them all exceptionally. Syrena goes above and beyond to support students and staff. She is often called upon to take on multiple roles in our building some of which most recently include: teacher, LBS1, coach, para, behavior analyst, IEP specialist, interpreter, liaison, mentor, professional scooter pusher and the list goes on and on.

Through it all, Syrena demonstrates professionalism and positivity. She is not satisfied until things are done with perfection and everything she does in our building helps to improve the lives of others--particularly with her work with our students with disabilities. We are so grateful for Syrena and all she does to contribute to our Leman community!

Congratulations on demonstrating these Portrait of a Teacher traits:

Data Oriented, Collaborative Leader, Dedicated Professional
