Board Report: November 18th, 2026

Prepared by Jacob Peterson

Facilities and Fiscal Plans

- Library furniture soft furnishings have been delivered and installed. Tables, shelves and staff desk will be delivered in December
- The Hallway Storage/Cubby sample was reviewed and slightly modified. The order was placed, delivery and installation details are pending.

Curriculum and Instruction

- Building goals have been set for Math and ELA. Our process this year for building goals were:
    - Fall Assessment Data was reviewed by Classroom teachers and they filled out Notice and Wonders
    - Responses were compiled by Interventionist and myself to write a few building goal choices.
    - Building Goals were decided by Math and ELA committee reps, then two Common Commitment (Instructional Practices) were collectively written to support the Math and ELA goals.
    - Interventionists and I met with each grade level to discuss grade level goals, when the common commitments are happening and how we can support them in their classroom.
- Three staff members went to CESA on November 4th for the Integrated Movement for Regulation presentation. They will present to staff during our December PD meeting.
- We are looking into ELA Universal and Intervention Materials for grades 3-5 to support a deficit in our Oral Reading Fluency.

Climate/Culture

- Halloween Parade for all TCE students and families were invited to watch the students walk through the gym. The new bleachers were packed with family members!
- The first PTO Halloween Party and Dance was a success, we welcomed around 130 students and 75 adults to the night of food, activities and dancing. All of this was provided by the PTO.

Fax: 715-643-7805

- Veterans Day Presentation was held at TCE on the afternoon of November 11th. The 4th grade staff and music teachers did a wonderful job preparing all the students for their respective parts. Parents, families and community members were commenting on the organization and how much they appreciated us taking the time to honor the Veterans in our community.
- Grandparents Day in ELC happened over November 12th and 13th. Thank you to the ELC staff for inviting in Grandparents and family members of our ELC students to complete activities like: making handprint shirts, turkey hats, reading stories and providing snacks.
- Staff meetings are held 2x a month, we will have a short in-house PD presentation each month. Thanks to Shannon Bignell and Bethany Bird for presenting on the instructional practice of Dyad Reading. Dyad Reading is one of our common commitments that support Oral Reading Fluency.
- 5th Grade Bulldog Ambassadors have been reading stories to grades ELC through 4th grade.
- Staff Wellness Get together is scheduled for over Fall Break.

Student Health and Safety

- Ran a school wide Fire Drill on November 2nd
- School Nurse has been updating our student Vaccination records and entering them into the Skyward permissions given by parents at the start of school year registration.

Technology

- The front office staff has been working to finalize parts of our new Student Information System, Skyward. The parts we are working on are: Updating essential standards in the grade book, running attendance reports, and providing teachers with access to student information.

Communication

- Reviewed the use of Parent Square at TCE with the Building Council reps. Here are some data points from September:
    - 99% of parents are engaged with the September messages
    - A parent was sent on average 23 messages in the month of September
