BACKGROUND INFORMATION

Board Policy FJ(LOCAL) - Gifts, Fundraising, and Solicitations was passed by the LISD Board of Trustees on January 26, 2015 and issued on February 10, 2015.
The Board of Trustees passed Policy Update 107 on March 23, 2017 that includes a revision to FJ(LOCAL) that 'addresses student fundraising, and significant revisions are recommended to simplify the policy. It is recommended that details of fundraising plans, approval of activities, and any required reports be addressed in administrative regulations'. The Student Fundraising Policy under FJ(LOCAL) now states:

> *"Administrative regulations shall address student fundraising plans, approval of fundraising activities, and any required reporting on fundraisers by campus administrators.*
>
> *With at least one employee managing each project, students representing their school or the District may participate in approved fundraising to benefit the District or a nonschool, charitable organization. Participation shall be voluntary and shall be approved only when the fundraising activity relates to the District's educational mission.*
>
> *Fundraising shall not be permitted during class time.*
>
> *Fundraising through sales of foods and beverages that could be consumed during the school day shall meet the requirements for competitive foods unless the District allows an exception from the competitive food requirement, as permitted by state and federal law."*

If applicable, the Superintendent will release all fundraising activity for the past month for the Board's information.
