**Special Services Update- Reported by Amy Martino**

**As of November 1, 2026, 1,769 of the 7,795 enrolled** Bristol students are identified as requiring Special Education programming. This enrollment reflects **22.69%** of the total BPS student population.

As of **November 1st, 127** students with disabilities required out-of-district placements at private special education school programs. There were **85** students requiring special education programming services at other public out-of-district schools, including magnet schools.

During the month of **October 2026, 64 % (21 of 33)** of the newly registered students were identified as students with special education programming needs at the time of registration. None of the newly registered students required programming and services at an out-of-district special education school program.

During the month of October, there were 36 211 or 9 911 calls.
