Superintendent's STUDENT LEADERSHIP ADVISORY COUNCIL

2026-2027

Lucy

I want to join the Superintendent’s Student Leadership Advisory Council because I would like to help our school. I look forward to presenting other students ideas as well as mine.

Lucy

What am I participating in at HMS?

- **Peer Helpers**
- **Student Council**
- **Yearbook Club**
- **SSLAC**
- **I was asked to be a student panelist and provide feedback about equity & inclusion for all students.**

Lucy

What are you proud of at HMS?

- **I am proud of the positivity and kindness I see in other students.**
- **There is an overall good feeling at HMS.**

Lucy

What could we be doing even better at HMS?

- **Cash for lunch money - Sometimes, lunch accounts run out and people don’t know. Then, when they go to lunch they often can’t get anything to eat, which can make it hard to focus in class. If we could use cash, everyone would have another way to get lunch.**
- **I’ve noticed some mud outside but it looks like the district is already working on this!**
