Diamond Lake District 76
November 7 at 1:21 PM ·

What a wonderful evening celebrating Día de los Muertos with our D76 community! From the beautiful traditions, music, dance, food, and art to the many families who joined us, the night was filled with culture, connection, and celebration. Events like this are a great reminder that our presence matters and that bringing our community together makes D76 stronger. Thank you to BPAC, our staff, families, volunteers, and community partners for making the evening so special. #SparkleOn **See less**
