Superintendent's School Board Report – November 16, 2026

"Chart. Navigate. Anchor.
We are here to help our Students……..
Chart Their Course To Prepare For Their Futures, Navigate Challenges With Grace and Anchor Themselves In Our Community."

CORRESPONDENCE

OSBA Annual Convention – How was it?
Board/Superintendent Operating Agreement

BOARD

Aaron's Work – This month Aaron has completed more ODE and specific grant reports on our Orchard Grant, High School Success, Student Investment Account, Early Literacy and Instructional Hours. We have held another Long Range Facility Planning Committee meeting, and have one more scheduled for November 17. I continue to work to develop future CTE options for our students as well, in the areas of Health Care Professions and Early Childhood Development, and held another Superintendent chat at the Langlois Library (3 patrons in attendance).

Individual Board Member/Superintendent Meetings: Please set a time.

STUDENTS/ACADEMICS

Parent/Teacher Conferences – Enrollment is still up at 241 students. Principals should have an update at the meeting on the number of families/students in attendance at Parent/Teacher Conferences.

STAFF

I will be holding 3 Friday, District Professional Development sessions in the next month. Our focus will be on Trauma-Informed Care and Practices, as well as continuing our work on District Professional Development groups centered around Charting, Navigating and Anchoring.

BUDGET

Nothing new at this time.

Long-Range Facility Planning Committee – Mr. Kyle Laier with Assist Education Services LLC, David McKay with HMK Co., David Williams with Piper/Sandler and Marlene Gillis with Soderstrom Architects are facilitating these meetings. Our last session of this first round is set for tomorrow, November 17. This group of staff, students, parents, administrators and Board members will work to prioritize projects most critical to District performance, goals and need, then determine potential methods for funding those projects. We will be hearing from a Piper Sandler representative who will share bonding options, and our earning potential through such a project.

OSCIM Grant Application – Aaron will turn this in on December 15 at 8am. It is not binding, but is a requirement if we want to be eligible for up to $6.2 million in matching funds.

Next LRPC Meetings – Thursday, December 10 and Thursday, January 13 from 6-8pm. Site is to be determined.
