"Exhibit A"
SCHOOL RESOURCE OFFICER PROGRAM

DEFINED TERMS

Capitalized terms not defined in this Exhibit A shall have the meaning provided to them in that certain Professional Contract for Services Relating to a School Resource Officer Program Between the City of McKinney and the Frisco Independent School District for the 2026-2027 School Year.

PURPOSE

The primary purpose of the School Resource Officer (SRO) Program is the reduction and prevention of crime committed by juveniles and young adults. This is accomplished by assigning patrol officers to school facilities on a permanent basis. The SRO Program accomplishes its purpose by achieving the established goals and objectives below. Goals and objectives are designed to develop and enhance rapport between youth, police officers and school administrators. Officers who are chosen for this program are responsible for establishing the communication links and creating a free flow of information between all parties involved.

GOALS

1. Reduction of criminal offenses committed by juveniles and young adults.

2. Establish rapport with the students.

3. Establish rapport with the parents, faculty, staff, administrators and other adults.

4. Create and expand programs with vision and creativity to increase student participation, which will benefit the students, the school district, the police department, and the community.

5. Present as a positive role model, demonstrate personal integrity, exemplify good moral character for students and adults, and treat the peace officer badge as a symbol of public faith and enduring public trust.

6. Provide safety for students, faculty, staff and all persons involved with the school district.

ORGANIZATIONAL STRUCTURE

1. Uniformed police officer(s) designated as School Resource Officers (singularly, an SRO, or together, SROs) will be assigned to Frisco Independent School District campuses, and will directly report to an SRO Sergeant.

2. SROs are police officers first, employed by the McKinney Police Department and are responsible for carrying out all duties and responsibilities as a police officer. SROs have enforcement responsibilities where criminal matters are concerned. The expectations toward SRO consultation and education are more formally established in the school setting.

3. SROs are not school disciplinarians and should not assume this role. When a school administrator is conducting an interview in connection with a school disciplinary investigation, an SRO may be present at the request of an administrator for safety purposes; however, SROs shall refrain from questioning students while an administrator is conducting a student discipline investigation interview.

4. In the event an SRO needs to question a student in connection with a law enforcement matter, other than a child abuse investigation, the school administrator shall make reasonable efforts to notify the student's parent. However, if the SRO raises an objection to the notification, the parent shall not be notified and the SRO who raised said objection shall confirm that objection in writing to the school administrator. While an SRO conducts a law enforcement interview, a school administrator shall ordinarily be present. However, if the SRO raises an objection to the presence of a third party, the interview may be conducted by the SRO without the administrator present and the SRO who raised said objection shall confirm that objection in writing to the school administrator. In most cases, an interview without either a parent or a school administrator present should be conducted off Frisco ISD property, unless such questioning is immediately necessary for a safety purpose, as solely determined by the SRO. At no time should school administrators and SROs simultaneously conduct student interviews for both school disciplinary and law enforcement investigative purposes.

5. SROs report directly to an SRO Sergeant, who in turn reports to Police Administration, regarding all matters pertinent to their position and function. SROs will not involve themselves in administrative or personnel matters of the Frisco Independent School District which are not criminal offenses.

SELECTION

When a SRO position becomes available, notice will be made to all sworn employees through regular postings. Applicants should have at least two years' experience with the McKinney Police Department or a combination of at least four years police experience. Interested officers should indicate interest in an SRO position by sending a memo requesting consideration to the Chief of Police or his designee. The school district will be consulted about the selection, and officers tentatively selected to fill vacant SRO positions will meet with school officials prior to final staffing. The Chief of Police will be the final deciding authority on SRO staffing. Annually, an SRO Sergeant will conduct a review of SRO assignments in conjunction with FISD. Selection criteria will include but will not be limited to:

- Oral presentation
- Performance reports
- Experience
- Interpersonal skills

DUTIES AND RESPONSIBILITIES OF SROs

Basic responsibilities of the SROs will include but will not be limited to:

Take enforcement action on criminal offenses when appropriate.

FISD will also provide the SRO of each campus and the SRO Sergeant the following materials and facilities, which are deemed necessary to the performance of the SROs duties:

CITY RESPONSIBILITIES

The City, by and through its Police Department, will complete and maintain the Texas Commission on Law Enforcement Background Confirmation Form (BCF 24.005) confirming completion of all background check requirements for officers assigned to the SRO unit and available upon request to the Texas Education Agency. The City acknowledges that under Texas Education Code chapters 22 and 22A, the Texas Education Agency created and requires the use of a Texas Education Agency published pre-service affidavit for all persons performing services under a contract to a public school. The City further acknowledges that the Law Enforcement Background Confirmation Form (BCF 24.005) may not be used in lieu of the Texas Education Agency's pre-service affidavit. As such, all persons performing services under the Agreement must complete the Texas Education Agency's pre-service affidavit prior to providing services to Frisco ISD under the Agreement. The City will maintain such completed pre-service affidavits and provide copies of such pre-service affidavits upon request by the Texas Education Agency in accordance with law.

ADMINISTRATION

SROs are not intended to be used to fill in for, or in place of school administrators and should not be utilized in that role.

STUDENT CONSULTATION

SROs are not intended to replace any school counselor nor are they to conduct or offer any psychological, mental health, or emotional counseling.

SROs will advise students on responsibilities and procedures concerning criminal matters.

SROs will give advice to help resolve issues between students that involve matters that may result in criminal violations, disturbances or disruptions.

SROs should not, in most cases, go to the homes of students except in actual emergencies or under conditions that warrant such a visit, including but not limited to, conducting arrests or referrals when a student's individualized circumstances or the nature of the criminal matter require parental involvement. Should a school administrator request an SRO make or accompany school staff on a home visit, SROs should notify an SRO Sergeant or appropriate supervisor prior to the visit. Under emergency or exigent circumstances, such notification may occur after the fact.

ENFORCEMENT

Although SROs have been placed in a formal educational environment, they are not relieved of the official duties as an enforcement officer. Decisions to intervene normally will be made when it is necessary to prevent violence, a breach of the peace, personal injury or loss of property. Citations should be issued and arrests made when appropriate and under department policy. When immediate law enforcement action is needed and an SRO is not available, another officer may be dispatched to the school.

SROs should investigate and prepare reports on minor offenses committed at schools. Other department personnel may be summoned to assist, as the SROs deem necessary.

FAMILY EDUCATION RIGHTS AND PRIVACT ACT (FERPA) 20 USC 1232(g)

FISD shall designate SROs as "school officials" for purposes of access to student information governed by the Family Educational Rights and Privacy Act (FERPA) 20 USC 1232(g) when providing services under this contract. Student education records and personally identifiable information under the maintenance and control of FISD may be accessed by school officials only for a legitimate educational purpose. The legitimate educational purpose for which an SRO may access or use educational records is to promote school safety and the physical security of FISD students and staff. An SRO shall

not access education records or personally identifiable information of students for any other purpose, including law enforcement investigation, except in compliance with FERPA, including, but not limited to, access made in connection with a health or safety emergency (20 U.S.C. 1232g(b)(1)(I) and 34 CFR §§ 99.31(a)(10) and 99.36) or with a judicial order or a lawfully issued subpoena (20 U.S.C. 1232g(b)(1)(J) and (b)(2) and 34 CFR § 99.31(a)(9)).

SCHEDULING

Hours - Normally the SRO will work school hours Monday through Friday. However, there may be occasions when this schedule is altered because of court appearances, sickness, injury, training and special assignments. SROs are considered non-exempt employees under the Fair Labor Standards Act (FLSA) and are subject to FLSA provisions as well as department and city policy relating to overtime. **All overtime requests will be reviewed and approved by Police Administration.**

Holidays and Vacation (PTO) - SROs will accrue holidays and vacation at the rate allowed by CITY policy. However, they should be scheduled to coincide with school holidays or when schools are closed/not in session, to the greatest extent possible. SRO training should be accomplished during school holidays or when schools are closed/not in session.

Substitution - Substitution for the SRO by another officer will be in the sole discretion of the McKinney Police Department.

SUMMER ACTIVITY

SROs should accomplish as much of their required training as possible during the summer months when school is not in session. SROs may be involved in some summer projects with the school district; however, they will spend the majority of the summer months on non-FISD police department assignments.

PROGRAM FUNDING

The SRO Program will begin one week before the first day of school through the last day of school along with Summer Activities. The current year program will be jointly funded by the City of McKinney and Frisco ISD with such agreement being included in an Interlocal Agreement agreed to by both parties.
