Meeting Date: December 3, 2026 Meeting Type: Board Workshop

Item Type: Report Future Action Required: No If Yes, Month: n/a

Subject: Academic Performance Report: Gifted and Talented and Advanced Academics Update

---

Background Information:

The Curriculum and Instruction Department will provide an update on Gifted and Talented services and Advanced Academics, highlighting program progress and efforts to expand opportunities that challenge students and support their academic goals.

The presentation will outline the ongoing process for gathering teacher and family input to better understand student needs, identify program strengths, and guide future improvements. It will also include a review of 2026 Advanced Placement (AP) exam results, highlighting student achievement and opportunities to strengthen participation and support. Information regarding dual credit enrollment for the 2026-2027 school year will address opportunities for students to earn college credit while in high school and inform planning for course offerings and student access.

Together, these updates will provide the Board with an overview of current progress and future planning to strengthen advanced academic opportunities and support continued student growth.
