

Davis School District

Elementary #2

Boundary Process

November 19, 2024 - Board approves process

January 2025-May 2025 - Track enrollment numbers, determine target numbers for schools involved in the study.

May 2025 – Meet with the Community Council & Staff at the schools

June 2025 – Using input from school meetings and enrollment data draw preliminary boundary proposal

July 15, 2025 – Present initial proposal to the Board – share next steps

Community Council and Staff Meetings

Bluff Ridge * Buffalo Point * Cook * Island View * Syracuse

- Balance student enrollment across the affected schools.
- Streamline junior high and high school feeder patterns as much as possible.
- Establish boundaries for the opening of the new school in August 2026.

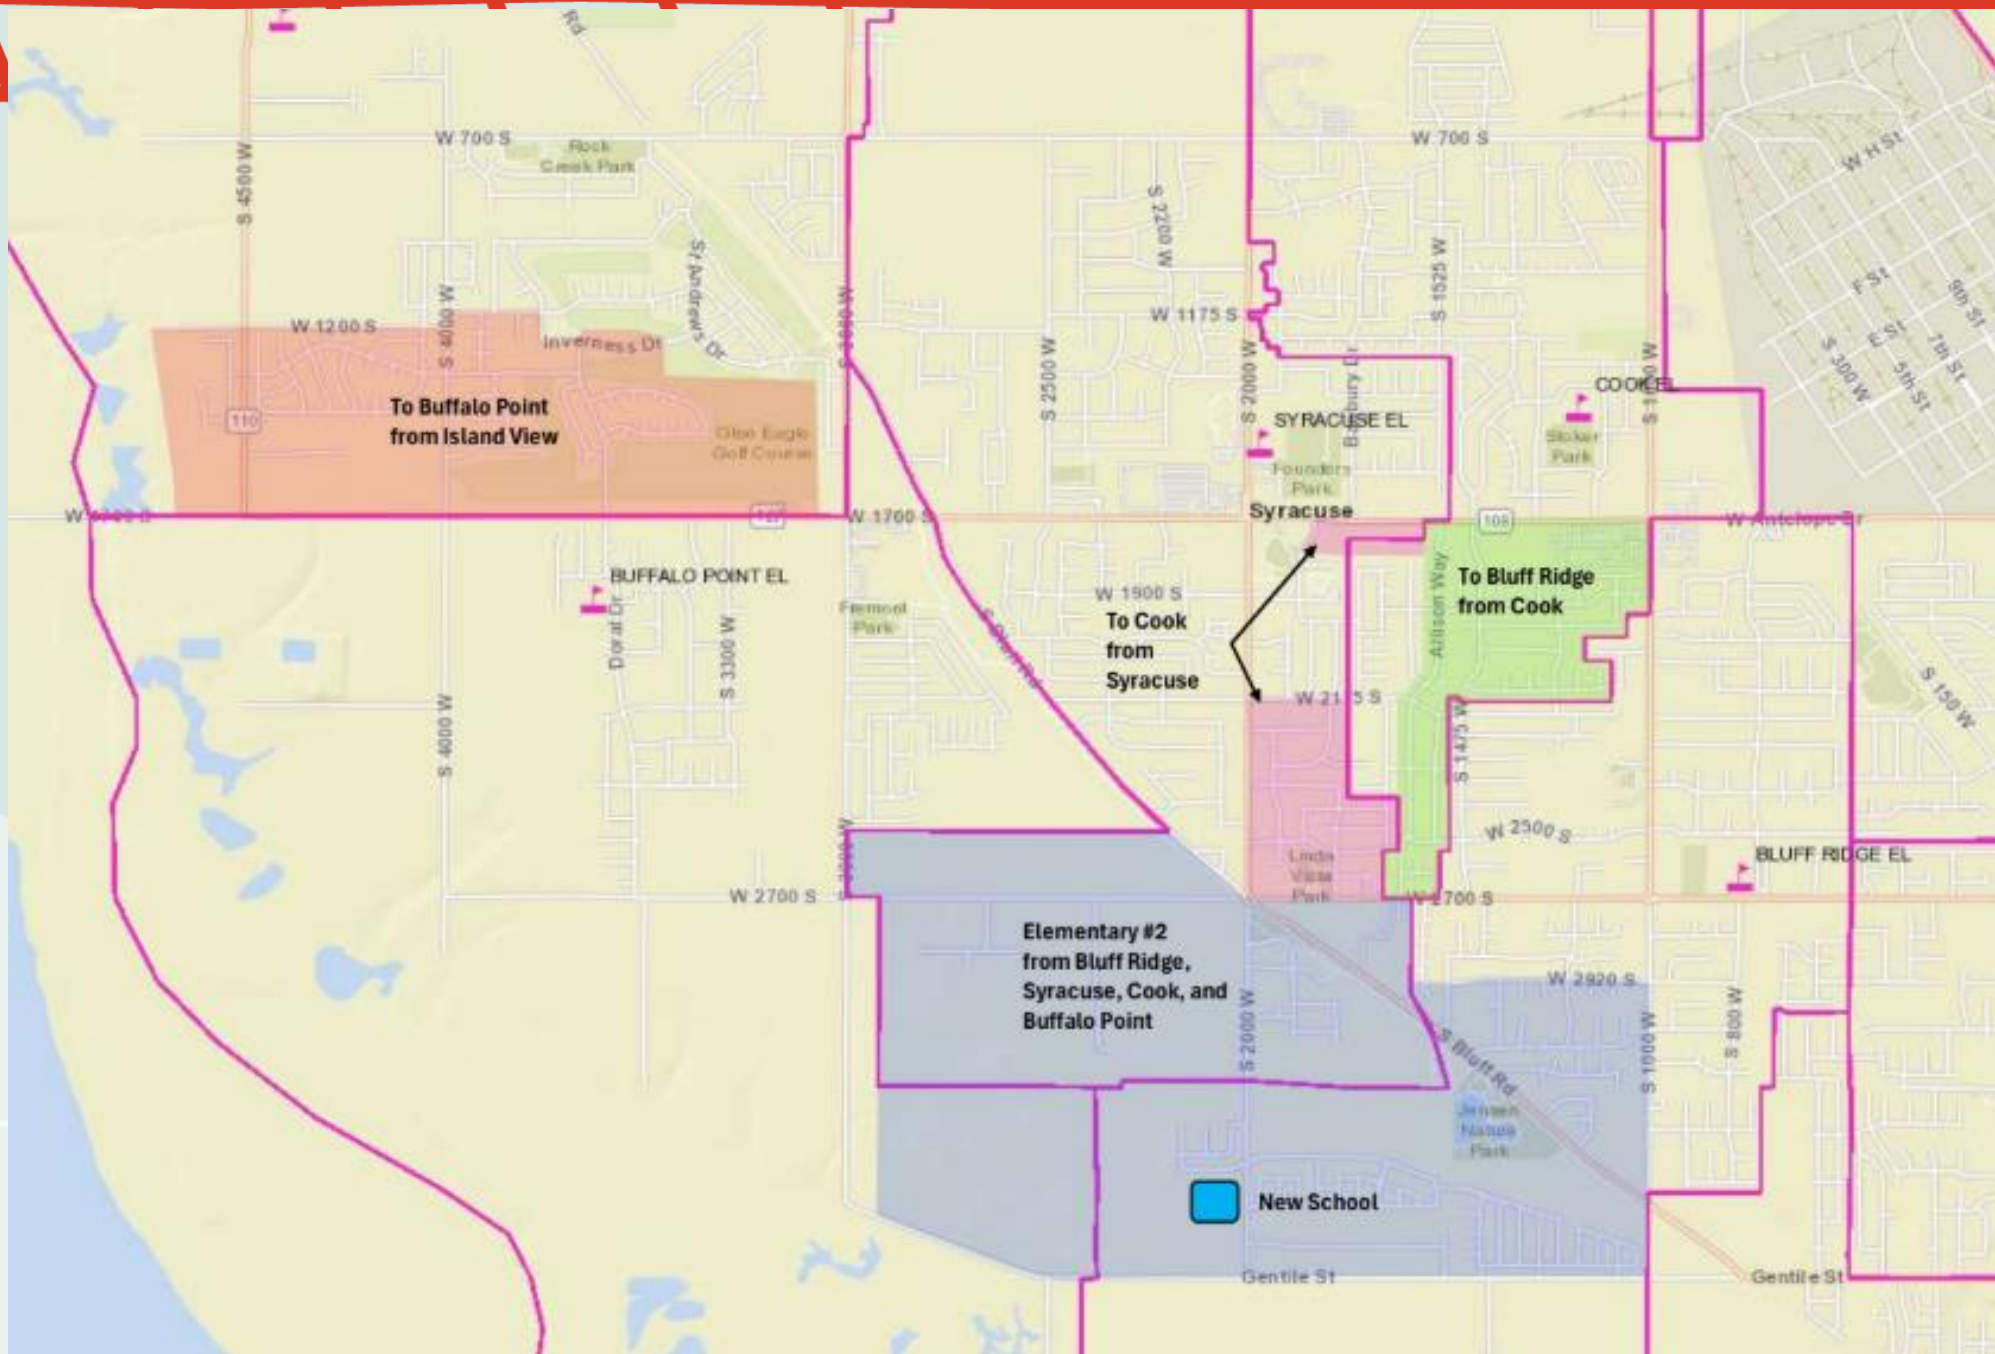

Highest Ranking Priorities

- Teachers are not overstaffed or understaffed
- Keeping neighborhoods intact
- Building safety
- Access to convenient walking routes and avoiding the need to cross major streets
- Nearby elementary schools transition into the same junior high school

School	1-Oct	SY26 Proj	SY27 Target	Change
Bluff Ridge	895	864	650	(214)
Buffalo Point	600	571	650	79
Cook	638	624	550	(74)
Island View	816	805	700	(105)
Syracuse El	840	796	650	(146)
Elementary 2	-	-	600	600
	3,789	3,660	3,800
