

### **Violation of School Bus Discipline Policy**

When a student's behavior impacts the safety of others students or the bus driver, they may be suspended from riding the bus. When suspended he/she will not be allowed to ride Minidoka County School District buses which includes field trips or activity trips. Subsequent infractions may result in the student being expelled for the remainder of the school year.

### **School Bus Citations**

Bus citations that identify misconduct are issued to students at the discretion of the bus driver. Within twenty-four (24) hours from the time the citation is issued, the bus driver shall make a reasonable attempt to telephone the parents to discuss safety aspects of the bus citation.

The parent copy of the citation must be signed by the parent or guardian and returned to the bus driver before the student will be allowed to ride again.

When a bus citation is issued, a copy of the citation will be given to the student, bus garage, bus driver and principal. With second or third offenses, the principal will be involved in determining discipline beyond the bus discipline if needed.

On subsequent citations, before a student will be allowed to ride the bus, the parent or guardian and student must meet with and obtain the signature of the Driver Trainer/Evaluator or the Transportation Supervisor in a citation conference with the bus driver. The Special Ed Director will be contacted if applicable.

### **Minor Infractions**

Minor infractions include, but are not limited to discourteous or disruptive behavior, failure to follow bus driver directions. Three minor infractions may constitute a major infraction.

The following is meant to be a guideline for general infractions. If the severity of the first infraction warrants it, then second or third offense consequences may be applied.
