

“Cook Around the World”

For Culinary Arts and Culinary Arts Practicum Students

Walt Disney World - EPCOT Resort

May 17 – May 20, 2013

The Teacher’s Point of View

- Exposure to cultural aspects of food
- Exposure to cultural studies
- Entrepreneur training in the hospitality industry
- Student travel
- Networking with students across the country
- Opportunity to implement advanced study skills/leadership skills
- Exposure to one of the World’s largest, and most successful hospitality venues
- Learning vacation of a lifetime!

CATE EXPECTATIONS: TEKS for Culinary Arts

- Culinary Arts: Culinary Arts begins with the fundamentals and principles of the art of cooking and the science of baking and includes management and production skills and techniques. Students can pursue industrial certifications.
- Practicum: Culinary Practicum provides occupationally specific opportunities for students to participate in a learning experience that combines classroom instruction with actual business and industry career experiences.
- Entrepreneur exposure
- Cultural exposures to people and foods within EPCOT, Walt Disney World Resort
- Group instructions with trained chefs in Asian, African, North American, and European cuisines
- Catering etiquette
- Exposure to alternative food growth methods: such as hydroponics and geponics
- Team building skills
- Decision making skills
- Leadership skills
- Management skills
- Work ethics
