We have implemented CHAMPS – Conversation, Help, Activity, Movement, Participation, Success:

- a. The program is designed to help with classroom management and routines within the building.
- b. We've been without a Counselor for most of the year and we've needed one. However, finding counselors who are certified to work in schools is no easy task. The position is posted.

### **Staff Support & Professional Development**

**Goal 6:** Build and sustain a thriving workforce aligned with the mission of this District.

Our Mission: Students who are empowered, culturally rooted, bilingual, healthy, critical, creative, life-long learners.

I am interviewing teachers for next year and hard and as fast as I can. Applicants are few and far between. As I am looking for quality teachers to replace those leaving, the process has been tough.

### **Upcoming Events:**

2. Prom is April 25<sup>th</sup>
3. Graduation is May 9<sup>th</sup>
4. The end of the school year is upon us.
