PROGRAM

SB 7: EDUCATION REFORM IN ILLINOIS

What's it all about, and what does it mean for board members?

Join us for an exciting panel presentation from the experts involved in the crafting of the sweeping Education Reform Bill: SB 7. Hear from **Ben Schwarm**, Associate Executive Director for Governmental Relations of the Illinois Association of School Boards; **Jim Reed**, Director of Governmental Relations of the Illinois Education Association; and **Robin Steans**, Executive Director of Advance Illinois. The panel will be moderated by **Cynthia Woods**, Director of Advocacy for the Illinois Association of School Boards.

Panelists will talk about the bill from their individual perspectives: how did we get from where we were to where we are now? In addition, board members will learn how the bill impacts them and what type of mandatory professional development is now required.

Following the panel's presentation, there will be time for questions and answers.

Please join us for a most interesting and informative evening to learn from the people most involved in this important piece of legislation.
