

December 13, 2022

Dear Board of Education Lincoln County School District,

It is with mixed emotions that I inform the Board that I am retiring at the end of the 2022-23 school year. After 44 years of faithful service to the children of California and Oregon, it is time for me to retire and to move on to my next adventure in life. My emotions are mixed in that I will be sad to leave this challenging yet fulfilling profession plus the many great people I have gotten to know here but also exhilarated to see what comes next in my journey.

The Board of Lincoln County School District has been exemplary as has the administrative team and staff. It has been an honor to serve the children and families of Lincoln County.

Sincerely,

Dr. Karen Fischer Gray
