Hallsville ISD Transportation Overview

Student Transportation Statistics:

Regular Education Students: Approximately 2,200 students are transported daily.

Special Needs Students: Around 80 students receive specialized transportation services.

McKinney-Vento Students: There are 10 students supported under the McKinney-Vento Homeless Assistance Act.

Transportation Fleet:

Regular Education Buses: 41 buses are designated for regular education students.

Special Needs Buses: 7 buses are equipped for special needs students.

Vans: 2 vans support transportation for McKinney-Vento students.

Activity Buses: New activity buses are used daily to transport students to and from extracurricular activities.

Staffing Status:

We are currently one driver short of being fully staffed.

We are actively looking for both bus drivers and bus monitors at this time.

This comprehensive transportation system, along with our dedicated staff, ensures safe and reliable transportation for all students.

Thank you for your time and commitment.
