Cheerleading

Our cheerleading team continued with their cheer camp this season, they worked with 30 kids from the community and they performed at ½ time of one of our games. They looked very nice during their performance; it was awesome to see the little girls performing in front of a large crowd.

They're special guest night was on February 12, 2024 and did an amazing job of escorting all of the special guests out onto the floor and greeting everyone as they arrived for special guest night.

Proud of the coaches and kids in all of their performances.

Browning Athletic Department

We hosted a Super Bowl Party for High School students for a second time this year. We had about 30 kids attend. The kids played board and card games. We had pizza, hot wings, snacks and lemonade. It was absolutely amazing to watch the Super Bowl on the big screen. We had a mixer of kids that were going for each of the teams playing and we had one kid who said they were there to watch the half time show.
