

Notes from Student meeting at GHS – Dress Code Policy

Issues that were close:

1. Shave 49% - 51%
2. Shorts & Leggings 52% - 53%

Facial hair

- Shouldn't be an issue if faculty is aloud to have facial hair
- Doesn't interfere with learning
- If we keep it clean and trimmed, we should allow it
- Missing class time when we are told to shave
- Guys can go a whole day without being caught
- Some guys can come clean shaven and have a shadow before lunch time
- Not sure we want the beard to look mangy
- Clean and neat

Shorts

- Could we look at inseams for shorts
 - Look at lengths for girls currently 3-5 inch inseam
 - Nike shorts
- Skirts and dress
 - Look at an arm rule
 - Have trouble finding shorts that fit the dress code
 - We are afraid to get in trouble so we wear jeans.
 - Skirts are easier to find but we wear dresses and one pieces because skirts for sale never meet the dress code.

Leggings

- Look at maybe the t-shirt covering up the behind
 - Not flesh colored
- Football, volleyball currently wear same outfits
- Skinny jeans are similar
 - Have pockets
 - Different material
