RE: Library Material Review & Reconsideration

Approved: November 18, 2025

Revised:

The Bloomfield Board of Education understands that, on occasion, a member of the public will wish to lodge a complaint against instructional material used in the classroom or available in the school library/media center. Consideration of requests to reconsider and remove material, displays, or student programs, is limited to individuals with a vested interest. An individual with vested interest may challenge any library and other educational materials, display or student program by initiating a review of such material via the submission of a request for reconsideration form.

It shall be the policy of the Bloomfield Board of Education that the removal, exclusion or censoring of any book shall not occur on the sole basis that a person with a vested interest finds such book offensive. No library and other educational material, display or program shall be removed from library media centers, or programs be canceled, because of the origin, background or viewpoints expressed in such material, display or program or because of the origin, background or viewpoints of the creator of such material, display or program. Library and other educational materials, displays and student programs shall only be excluded for legitimate pedagogical purposes or for professionally accepted standards of collection maintenance practices as adopted in the collection development and maintenance policy or the display and program policy.

Until a final decision is made by the review committee any library and other educational material being challenged shall remain available in the school library media center according to such material's catalog record and be available for a student to reserve, check out or access.

A school district may consolidate any requests for review and reconsideration of the same challenged library and other educational material. Once a decision has been made by the review committee on any library and other educational material, such material cannot be subject to a new request for review and reconsideration for a period of three years.

Through this policy, the Board of Education ensures that all library materials shall be evaluated and made accessible in accordance with the protections against discrimination set forth in sec10-15c of the general statutes, including, but not limited to, discrimination based on race, color, sex, gender identity, religion, national origin, sexual orientation, or disability. The Bloomfield Board of Education will review and update this policy as necessary every five years.
