Knightline Newsletter

November, 2018

North Valley Community,

As the 1st quarter comes to a close, I just want to inform our community about the wonderful happenings here at the school and what is on the horizon at NVHS. Many of our students and staff are feeling the hustle and bustle as the semester is in full swing. Our teachers are working with kids to help them achieve their academic goals. Remember, you can help monitor your child's progress through the parentVue account. Also, please take a look at the progress reports that will be coming home next week. We are continuing the 3R initiative with those positive notes for demonstrating Respectful, Responsible, or Resilient behavior. Hopefully, your student has received one or two of those and you have been able to have a meaningful conversation about the 3 R's. New this year is the 3R star notes that students can send to their peers for being a great representative of North Valley High School. When you get a chance, encourage your student to find and recognize their fellow classmates that are demonstration respect, responsibility, or resilience.

Fall sports are coming to a close. We have had some great success in all the sports this past season, and we would like to wish the girls and boys soccer teams along with cross-country good luck in the postseason. For those of you planning on competing during the winter season, make sure to get your paperwork in as soon as possible. Lastly, the fall play will begin November 2nd and run for two consecutive weekends. If you get a chance, come and check out the play.

Thanks for all your support, and enjoy the coming holiday seasons,

Erik Lathen
