

**Independent School District #832
Mahtomedi Public Schools
Facilities Steering Committee**

Overview:

A Facilities Steering Committee will oversee and manage the design and construction associated with the November 2025 Bond Referendum.

Steering Committee Charge:

- Oversee design decisions to ensure that they:
 - Best serve the School District's educational and facilities goals
 - Adhere to the [Parameters and Results](#) established by the Board in 2024
 - Reflect the priorities of the communities of Mahtomedi Public Schools
 - Are consistent with the School District's strategic vision
 - Are in alignment with District facilities standards
 - Achieve the goals outlined in the Review and Comment
- Ensure that projects stay on schedule and budget
- Update the Board Facilities Committee at monthly intervals.
- Update the School Board
 - at the conclusion of the Task Force Committees' work.
 - at the end of Design Development to review design and budget

Outcome:

- Mahtomedi Public Schools will ensure that 2025 Referendum Projects will meet design parameters as outlined in this charge, with successful projects on time and on budget.
