Notes:

Speaking points:

- All IndiStar indicators for the section (listed above) have been updated. Still 7 of 8 indicators remain in 'limited' implementation status.
- Steve Jones asked Site Council members for input as he and Mr. Higgins work to build a mission / vision statement for Lincoln Savage Middle School. Would like to post this (when complete) on our website and on letterhead.
- Discussion about upcoming "Village" meeting at HVHS and upcoming presentation from Jermaine Galloway (Tall Cop Says Stop)...will try to send some 8th graders to presentation.
- Update on technology needs...in process of purchasing 2 additional carts of chromebooks...trying to purchase three...will need to look at carry over balance for

next year. Also, touched on setting up tech committee at LSMS to investigate technology needs.

- Summer Academy will take place June 27 - July 22...8 am - 1 pm. Breakfast & lunch will be provided at no cost. (Anyone under 18 will be able to participate in the meal program)...Thank you Ben Guyton.
- LSMS has 10 student-athletes qualified for the upcoming state level track meet...3 of our athletes will participate...Thank you Sierra Howerton (Head Coach) & Nancy Hurley (Asst. Coach), Nancy will be taking the kids to the state meet. Great opportunity for each of them.
- Completed reading SBAC, currently working on Writing portion of SBAC, two weeks from now, will complete Math portion of SBAC...students are working diligently in this endeavor.
- Honor Society membership has been established...induction ceremony will follow soon, as will a community service project. Most likely will pair with Serve GP and do a beautification project on the school grounds of LSMS.
- Career fair was a huge success (thank you Mr. Holmes) for getting the program off to a great start! We had 6 different speakers (all did a fantastic job / as did our students as spectators).
- Discussion around developing an electronic portfolio for students. This document would travel with the kids through their TRSD experience, and could be used to lead student-led conferences.
- Next meeting Date: June 14, 2016.
