## Math Teacher, Badger High School Grades 7-12

Badger Community School is seeking a full time math teacher for the next 2024-2025 academic year. The qualified applicant will be responsible to teach math classes to grades 7-12. This position has the support of a dedicated staff which is a vibrant mix of veteran and younger educators focused on serving the needs of students and each other.

Badger is a stable right sized smaller school near the northern border of greater Minnesota located on state highway 11. It does not take too much imagination to come up with four seasons of fun with the neighboring forest areas, inviting rivers, wetlands, recreational trails and golf courses in close proximity to Badger. Also, less than an hour drive to Lake of the Woods for boating, camping and some of the best year-round fishing in the state.

**Pay and Benefits:** Looking ahead starting pay for 2024-2025 will be no less than \$47,062 and may be up to \$75,235 based on education and experience along with a comprehensive benefit package.

Preference will be given to candidates with the willingness to work toward becoming eligible to teach college in the high school courses or already credentialed now.

**Licensure:** Valid Minnesota mathematics teaching license or ability to obtain such licensure by August 26, 2024 for either grades 7-12 or grades 5-12.

**Candidates with training, degrees or licenses in other related content areas are welcome to apply.** Badger School is willing to explore Tier 1, Tier 2 or an Out of Field Permission if necessary within accordance with PELSB guidelines and timelines.

Other income opportunities may also include co-curricular advising, directing or coaching athletics; however, not required.

For your convenience, there are three ways interested candidates may apply:

1. Interested candidates should access, print, and complete an application that can be found at our website: [www.badger.k12.mn.us](http://www.badger.k12.mn.us)
