Exhibit - Checklist for Filling Board Vacancies by Appointment

The Board of Education fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs: Vacancies on the Board of Education*, published by a committee of the Ill. Council of School Attorneys (ICSA), and available at: www.iasb.com/law/vacancies.cfm.

- Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, <i>Vacancies on the Board of Education - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment. Consult the Board Attorney as needed.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10.
In the event a seat on the board goes unfilled at an election, consult the Board Attorney to determine (1) how long the seat can be <i>held over</i> by the incumbent member, and (2) the process by which the Board will fill the seat.	The School Code partially addresses the concept of a <i>holdover seat</i> ; it states “no elective office...becomes vacant until the successor of the incumbent of such office has been appointed or elected, as the case may be, and qualified.” 105 ILCS 5/10-11.

- Notify the Regional Superintendent of the vacancy within five days of its occurrence (105 ILCS 5/10-10).**

- Develop a list of qualifications for appointment of a person to fill the vacancy.**

Guidelines	Explanation
At a minimum, a candidate must meet the following qualifications: <ul style="list-style-type: none"> • Be a United States citizen • Be at least 18 years of age • Be a resident of Illinois and District for at least one year immediately preceding the appointment • Be a registered voter • Not be a child sex offender 	While the School Code does not expressly set forth eligibility requirements for appointment to a Board vacancy, the Board may want to use the qualifications for elected Board members listed in 105 ILCS 5/10-3 and 5/10-10. For guidance discussing other qualifications that the Board may want to consider, see IASB’s <i>Recruiting School Board Candidates</i> , available at: www.iasb.com/training/recruiting.cfm For guidance regarding conflict of interest and incompatible offices, see <i>Answers to FAQs Regarding</i>

Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

The Board employs and evaluates the Superintendent and holds him or her responsible for the operation of the District in accordance with Board policies and State and federal law.

Individuals may submit questions or communications for the Board of Education's consideration to the Superintendent or may use the electronic link to the Board's email address(es) posted on the District's website.

The Superintendent or designee shall:

1. Ensure that the home page for the District's website contains an active electronic link to the email address(es) for the Board of Education, and

Board Member Use of Electronic Communications

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Committees

The Board of Education may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Board Policy Committee. This committee researches policy issues, and provides information and recommendations to the Board.
2. Parent-Teacher Advisory Committee. This committee assists in the development of student behavior policy and procedure, and provides information and recommendations to the Board. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal and civil offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
3. Behavioral Interventions Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*, and provides information and recommendations to the Board. Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Agenda

The Board of Education President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any Board member may submit suggested agenda items to the Board President for his or her consideration for an upcoming meeting. District residents may suggest inclusions for the agenda. Discussion items may be added to the agenda upon unanimous approval of those Board members present. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;

5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a

Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, or (4) unexpected childcare obligations. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent within a reasonable amount of time before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination. The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Public Participation at Board of Education Meetings and Petitions to the Board

For a maximum of 30 minutes during each regular and special open meeting of the Board, any person may comment to or ask questions of the School Board (public participation), subject to the reasonable constraints established and recorded in this policy's guidelines below. The time limit for public participation at a meeting may be extended upon the majority vote of the Board members at the regular or special meeting. The Board listens to comments or questions during public participation; responses to comments to or questions of the Board are most often managed through policy 3:30, *Chain of Command*.

To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President. This includes following the directives of the Board President to maintain order and decorum for all.
2. Use a sign-in sheet, if requested.
3. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to three minutes. In unusual circumstances, and when an individual has made a request to speak for a longer period of time, the Board President may allow a person to speak for more than three minutes. If multiple individuals wish to address the Board on the same subject, the group is encouraged to appoint a spokesperson.
4. Observe, when necessary and appropriate, the Board President's authority to:
 - a. Shorten the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak; and/or
 - b. Determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

Board Policy Development

The Board of Education governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others should be made to the Board President or the Superintendent.

A Board Policy Committee will consider all policy suggestions and provide information and recommendations to the Board.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the Board Attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration may be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available on the District's website and in the District's main office during regular office hours upon appointment. Copy requests should be made pursuant to Board policy 2:250, *Access to District Public Records*.

Board Policy Review and Monitoring

The Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

Words Importing Gender

Throughout this policy manual, words importing the masculine and/or feminine gender include all gender neutral/inclusive pronouns.

Superintendent Implementation

The Board will support any reasonable interpretation of Board policy made by the Superintendent. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Superintendent is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall appoint an employee, who may be himself or herself, to serve as the District's Freedom of Information Officer. That appointee assumes all the duties and powers of that office as provided in FOIA and this policy.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the Board of Education or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian

complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint under Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), the Title IX Coordinator or designee shall process and review the complaint under Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall provide his or her written decision to the Complainant and the accused as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall provide its written decision to the Complainant and the accused, as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator, Title IX Coordinator, and the Complaint Managers.

Board of Education

Title IX Grievance Procedure

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment when that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(11), *domestic violence* as defined in 34 U.S.C. §12291(a)(12), or *stalking* as defined in 34 U.S.C. §12291(a)(36).

Examples of sexual harassment include, but are not limited to, touching, rape, sexual battery, sexual abuse, sexual coercion, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Definitions from 34 C.F.R. §106.30

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and

prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.

2. Incorporates education and training for school staff as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, a Complaint Manager, or any employee with whom the person is comfortable speaking.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report

Upon receipt of a report made under this Title IX grievance procedure, the Title IX Coordinator and/or designee will promptly contact the Complainant to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the Complainant of the availability of supportive measures with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the Complainant the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45. The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45 before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
 - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
 - b. Receive training on the definition of sexual harassment, the scope of the District's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with

student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited

Discrimination and harassment on the basis of race, color, or national origin negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

Examples of Prohibited Conduct

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

Making a Report or Complaint; Investigation Process

Individuals are encouraged to promptly report claims or incidents of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

Federal and State Agencies

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights. To contact IDHR, go to: <https://dhr.illinois.gov/about-us/contact-idhr.html> or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which:

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
2. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
3. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
4. Offer remedial interventions or take such disciplinary action as may be appropriate on a case-by-case basis;
5. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
6. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

Policy Posting and Distribution

This policy shall be posted on the District's website. The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, and/or in other areas where policies and rules of conduct are made available to staff. The Superintendent shall annually inform students and their parents/guardians of this policy by posting it on the District's website and including an age-appropriate summary of the policy in the student handbook(s).

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion consistent with Board policy 7:190, *Student Behavior*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Chain of Command

The Superintendent shall develop an organizational chart indicating the channels of authority and reporting relationships for school personnel. These channels should be followed, and no level should be bypassed except in unusual situations.

All personnel should refer matters requiring administrative action to the responsible administrator, and may appeal a decision to a higher administrative officer. Whenever possible, each employee should be responsible to only one immediate supervisor. When this is not possible, the division of responsibility must be clear.

Superintendent

Duties and Authority

The Superintendent is the District's executive officer and is responsible for the administration and management of the District schools in accordance with Board of Education policies and directives, and State and federal law. District management duties include, without limitation, preparing, submitting, publishing, and posting reports and notifications as required by State and federal law, including the special reporting responsibilities in policy 5:90, *Abused and Neglected Child Reporting*. The Superintendent is authorized to develop administrative procedures and take other action as needed to implement Board policy and otherwise fulfill his or her responsibilities. The Superintendent may delegate to other District staff members the exercise of any powers and the discharge of any duties imposed upon the Superintendent by Board policies or by Board vote. The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action that was delegated.

Qualifications

The Superintendent must be of good character and of unquestionable morals and integrity. The Superintendent shall have the experience and the skills necessary to work effectively with the Board, District employees, students, and the community. The Superintendent must have and maintain a Professional Educator License with a superintendent endorsement issued by the Illinois State Educator Preparation and Licensure Board.

Evaluation

The Board will evaluate, at least annually, the Superintendent's performance and effectiveness, using standards and objectives developed by the Superintendent and Board that are consistent with State law, the Board's policies, and the Superintendent's contract. A specific time should be designated for a formal evaluation session with all Board members present. The evaluation should include a discussion of professional strengths as well as performance areas needing improvement.

The Superintendent shall annually present evidence of professional growth through attendance at educational conferences, in-service training, or similar continuing education pursuits.

Compensation and Benefits

The Board and the Superintendent shall enter into an employment agreement that conforms to Board policy and State law. This contract shall govern the employment relationship between the Board and the Superintendent. The terms of the Superintendent's employment agreement, when in conflict with this policy, will control.

Exhibit - Checklist for the Superintendent Employment Contract Negotiation Process

The Board of Education hires and employs the Superintendent. The Superintendent shall be in charge of the administration of the schools under the direction of the Board, through its policies. See 105 ILCS 5/10-21.4 and 105 ILCS 5/10-16.7. As an effective employer, the Board must develop and maintain a productive relationship with the Superintendent. See IASB's *Foundational Principles of Effective Governance*, **Principle 3. The board employs a superintendent**, at: www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance/.

The foundation for a productive employment relationship begins when the Board identifies the most qualified superintendent candidate (*successful superintendent candidate*) after an established interview process. The Board then extends an offer of employment to the successful superintendent candidate. The employment search process and resulting relationship should consist of mutual respect and a clear understanding of respective roles, responsibilities, and expectations. This relationship should begin with the Board's policy, a thoughtfully crafted employment contract and job description, and procedures for communications and ongoing assessment. See *Principles* at the link above.

Below, the *Checklist for the Superintendent Employment Contract Negotiation Process (Checklist)* provides a column entitled **Superintendent Contract Term Considerations for the Board**. It lists common superintendent employment contract terms and points of consideration for boards to prepare for during the contract formation process. Another column entitled **Explanation, Special Considerations, and Resources** provides extra information about these common superintendent employment contract terms.

The *Checklist* is intended to serve as a resource to educate and guide the Board through the employment contract negotiation process with its successful superintendent candidate. Board members who are educated about the content within the *Checklist* are crucial to successful negotiation processes. An educated contract formation and negotiation process, along with a well-written contract and job description for the Superintendent, all set the foundation for mutual respect and a clear understanding of the Board and Superintendent's respective roles, responsibilities, and expectations. **Important:** This *Checklist* is a resource for contract formation; it is not a list of *must have* items for a superintendent's employment contract or a basis for a board to re-open contracts currently in effect.

Prior to providing the successful superintendent candidate an offer for employment and contract for review, consideration, and negotiation, consult the Board Attorney about the *Checklist* and the scope of the terms the Board wishes to offer the successful superintendent candidate. The Board and the successful superintendent candidate should expect and encourage the other to seek the advice of their respective attorneys during the employment contract formation process.

Many attorneys agree and best practices suggest that boards and successful superintendent candidates work with their own separate attorneys in an amicable and cooperative manner to complete the employment contract negotiation process.

- Board Attorney.** Prior to providing any successful superintendent candidate with an offer for employment and a contract for review, consideration, and negotiation, best practices suggest consulting the Board Attorney about the *Checklist*. **Note:** Boards should view a successful superintendent candidate retaining his or her own attorney as a best practice (as opposed to a warning sign). Each party is beginning the employment relationship in a cooperative manner to set an appropriate foundation to the future working relationship.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, demand deposit account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the District initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

The District shall consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The District may consider factors including:

1. For financial institutions subject to the federal Community Reinvestment Act of 1977 (CRA), the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the CRA;
2. For financial institutions subject to the Ill. Community Reinvestment Act (ICRA), the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the ICRA;
3. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
4. The financial impact that the withdrawal or denial of District deposits might have on the financial institution;
5. The financial impact to the District as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and

6. Any additional burden on the District's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

The District may not deposit public funds in a financial institution subject to the CRA unless the institution has a current rating of satisfactory or outstanding under the CRA. The District may not deposit public funds in a financial institution subject to the ICRA unless either: (1) the institution has a current rating of satisfactory under the ICRA at the time of deposit; or (2) the Ill. Dept. of Financial and Professional Regulation has not yet completed its initial examination of the institution under the ICRA. The District may not withdraw public funds from a financial institution prior to the date of maturity solely on the basis of a less than satisfactory rating under the ICRA. When investing or depositing public funds, the District may give preference to financial institutions that have a current rating of outstanding under the CRA and the ICRA.

Safekeeping practices should qualify for the Governmental Accounting Standards Board Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The Board will determine, after receiving the Superintendent's recommendation, which fund is in most need of interest income and the Chief Business Official shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The Board and District officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. No District employee having influence on the District's investment decisions shall:

1. Have any interest, directly or indirectly, in any investments in which the District is authorized to invest,
2. Have any interest, directly or indirectly, in the sellers, sponsors, or managers of those investments, or

Unless the Superintendent or designee establishes new routes, pick-up and drop-off locations for students in day care must be along the District's regular routes. The District will not discriminate among types of locations where day care is provided, which may include the premises of licensed providers, relatives' homes, or neighbors' homes.

Bus schedules and routes shall be determined by the Director of Transportation or designee and shall be altered only with the Director of Transportation or designee's approval and direction. In setting the routes, the pick-up and discharge points should be as safe for students as possible.

Notice

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

Notification

At the beginning of each school year, by letter, the District shall notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Superintendent shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

Nondiscrimination Assurance

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

Waiver of Student Fees

The Superintendent will recommend to the Board of Education a schedule of fees, if any, to be charged students for the use of textbooks, consumable materials, extracurricular activities, and other school student fees. Students must also pay fines for the loss of or damage to school books or other school-owned materials.

Fees for textbooks, other instructional materials, and driver education, as well as fines for the loss or damage of school property are waived for students who meet the eligibility criteria for a waiver as described in this policy. In order that no student is denied educational services or academic credit due to the inability of parents/guardians to pay student fees and fines, the Superintendent will recommend to the Board which additional fees and fines, if any, the District will waive for students who meet the eligibility criteria for a waiver.

Notification

The Superintendent shall ensure that a notice of waiver applicability is provided to parents/guardians with every bill for fees and/or fines, and that applications for waivers are widely available and distributed according to State law and Ill. State Board of Education (ISBE) rule and that provisions for assisting parents/guardians in completing the application are available.

1. The student currently lives in a household that meets the same income guidelines, with the same limits based on household size, that are used for the federal free meals program;
2. The student's parents/guardians are veterans or active-duty military personnel with income at or below 200% of the federal poverty line; or
3. The student is homeless, as defined in the McKinney-Vento Homeless Assistance Act (42 U.S.C. §11434a).
4. The student is in foster care, migrant, or a runaway.

- Illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;
- Emergency situations;
- When one or more of the parents/guardians are involved in a work stoppage.

Verification

The Superintendent or designee shall establish a process for determining a student's eligibility for a waiver of fees and fines in accordance with State law requirements.

If a student receiving a waiver is found to be no longer eligible during the school year, the Superintendent or designee shall notify the student's parent/guardian and charge the student a prorated amount based upon the number of school days remaining in the school year.

Determination and Appeal

Within 30 calendar days after the receipt of a waiver request, the Superintendent or designee shall mail a notice to the parent/guardian whenever a waiver request is denied. The denial notice shall include: (1) the reason for the denial, (2) the process and timelines for making an appeal, and (3) a statement that the parent/guardian may reapply for a waiver any time during the school year if circumstances change. Standards for Managing Buildings and Grounds

All District buildings and grounds shall be adequately maintained in order to provide an appropriate, safe, and energy efficient physical environment for learning and teaching. The Superintendent or designee shall provide the Board with periodic reports on maintenance data and projected maintenance needs that include cost analysis. Prior Board approval is needed for all renovations or permanent alterations to buildings or grounds when the total cost will exceed \$35,000, including the cost equivalent of staff time. This policy is not intended to discourage efforts to improve the appearance of buildings or grounds that are consistent with the designated use of those buildings and grounds.

Standards for Green Cleaning

For each District school with 50 or more students, the Superintendent or designee shall establish and supervise a green cleaning program that complies with the guidelines established by the Illinois Green Government Coordinating Council.

4. Design buildings for maximum potential for community use.
5. Meet or exceed all safety requirements.
6. Meet requirements on the accessibility of school facilities to disabled persons as specified in State and federal law.
7. Provide for low maintenance costs, energy efficiency, and minimal environmental impact.

Naming Buildings and Facilities

Recognizing that the name for a school building, facility, or ground or field reflects on its public image, the Board's primary consideration will be to select a name that enhances the credibility and stature of the school or facility. Any request to name or rename an existing facility should be

submitted to the Board. When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with supporting rationale, to the Board. The Board will make the final selection. The Superintendent or designee may name a room or designate some area on a school's property in honor of an individual or group that has performed outstanding service to the school without using the process in this policy.

The committee will:

1. Encourage input from the community, staff members, and students.
2. Give consideration to names of local communities, neighborhoods, streets, landmarks, history of the area, and individuals who have made a contribution to the District, community, State, or nation.

Dept. of Public Health, District's local health department, emergency management agencies, and/or Regional Office of Education.

During an emergency school closing, the Board President and the Superintendent may, to the extent the emergency situation allows, examine existing Board policies pursuant to Policy 2:240, *Board Policy Development*, and recommend to the Board for consideration any needed amendments or suspensions to address mandates that the District may not be able to accomplish or implement due to a pandemic.

Board Meeting Procedure; No Physical Presence of Quorum and Participation by Audio or Video

A disaster declaration related to a public health emergency may affect the Board's ability to meet in person and generate a quorum of members who are physically present at the location of a meeting. Policy 2:220, *Board of Education Meeting Procedure*, governs Board meetings by video or audio conference without the physical presence of a quorum.

Payment of Employee Salaries During Emergency School Closures

The Superintendent shall consult with the Board to determine the extent to which continued payment of salaries and benefits will be made to the District's employees, pursuant to Board policies 3:40, *Superintendent*, 3:50, *Administrative Personnel Other Than the Superintendent*, 5:35, *Compliance with the Fair Labor Standards Act*, 5:200, *Terms and Conditions of Employment and Dismissal*, and 5:270, *Employment At-Will, Compensation, and Assignment*, and consistent with: (1) applicable laws, regulations, federal or State or local emergency declarations, executive orders, and agency directives; (2) collective bargaining agreements and any bargaining obligations; and (3) the terms of any grant under which an employee is being paid.

Suspension of In-Person Instruction; Remote and/or Blended Remote Learning Day Plan(s)

When the Governor declares a disaster due to a public health emergency pursuant to 20 ILCS 3305/7, and the State Superintendent of Education declares a requirement for the District to use *Remote*

Learning Days or *Blended Remote Learning Days*, the Superintendent shall approve and present to the Board for adoption a Remote and/or Blended Remote Learning Day Plan (Plan) that:

1. Recommends to the Board for consideration any suspensions or amendments to curriculum-related policies to reduce any Board-required graduation or other instructional requirements in excess of minimum curricular requirements specified in School Code that the District may not be able to provide due to the pandemic;
2. Implements the requirements of 105 ILCS 5/10-30; and
3. Ensures a plan for periodic review of and/or amendments to the Plan when needed and/or required by statute, regulation, or State guidance.

Targeted School Violence Prevention Program

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Require all District staff, volunteers, and contractors to report any expressed threats or behaviors that may represent a threat to the community, school, or self.
4. Encourage parents/guardians and students to report any expressed threats or behaviors that may represent a threat to the community, school, or self.
5. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors.

Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Education policy on equal employment opportunity and minority recruitment. The Superintendent or designee is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Orientation Program

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Compliance with the Fair Labor Standards Act

Job Classifications

The Superintendent will ensure that all job positions are identified as either “exempt” or “non-exempt” according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are “exempt” or “non-exempt.” “Exempt” and “non-exempt” employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Monday until 11:59 p.m. Sunday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. “Overtime” is time worked in excess of 40 hours in a single workweek.

Overtime

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

A non-exempt employee shall not work overtime without his or her supervisor’s express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee’s written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Employment Termination and Suspensions*.

Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being *on call* for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a Board of Education meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. *School grounds* means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate

State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in policy 2:240, *Board Policy Development*.

Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The District is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the District's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Superintendent may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations.

Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the

District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, *Use of Credit and Procurement Cards*.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Fees for the first checked bag will be reimbursed. Copies of airline tickets and baggage receipts must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, ride sharing services, or other local transportation costs.

Please also refer to the applicable collective bargaining agreement(s).

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Miscellaneous Expenses

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Additional Requirements for Travel Expenses Charged to Federal and State Grants

All grant-related travel expenses must be pre-approved by the Superintendent or designee.

Expenses for travel, including expenses for transportation, lodging, meals, and related items incurred by employees and charged to a federal grant or State grant governed by the Grant Accountability and Transparency Act (30 ILCS 708/) must also meet the following requirements:

1. The participation of the employee is necessary to the award, and the costs are specifically related to the award.
2. Expenses must be permissible under the terms and conditions of the award.
3. Expenses must be reasonable and consistent with this policy.
4. The Board does not reimburse actual expenses or pay a per diem allowance unless the employee is on official travel status for more than 12 hours. However, employees remain eligible for mileage reimbursement (minus regular commuting mileage/costs) and other transportation expenses if on travel status less than 12 hours.
5. Expenses may be charged based on an actual cost basis or on a per diem basis in lieu of actual costs incurred; however, only one method may be applied per trip.
6. Commercial airfare costs in excess of the least expensive coach or economy class are prohibited except when such accommodations would: (1) require circuitous routing; (2) require travel during unreasonable hours; (3) excessively prolong travel; (4) result in additional costs that would offset transportation savings; or (5) offer accommodations not reasonably adequate for the traveler's medical needs. Qualifying circumstances must be explained on the expense form, and Board approval of the additional expense is required.
7. Per diem rates and actual reimbursement amounts for mileage, meals, and lodging may not exceed the rates established by the Governor's Travel Control Board or federal travel regulations, whichever is less. These limits do not apply when: (1) an employee stays in the lowest-priced room available at or near a hotel where a conference or seminar is located or in accommodations arranged by the conference/seminar organization, or (2) lodging at or below the established rate is unavailable. In those cases, the employee will be reimbursed for actual lodging expenses with prior approval, but in no case will the reimbursement exceed 300% of the applicable maximum per diem rate. If a conference fee includes a meal, the meal or per diem allowance will be reduced by the actual value of the meal or the applicable meal allowance, whichever is less.
8. Employees must use the least expensive compact car available when using a rental car for travel, unless an exception is approved. The Board does not reimburse employees for collision damage waiver or theft insurance.
9. The Board will reimburse travel expenses not chargeable to an award from other District funds consistent with this policy.

Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY). Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made.

Negligent failure to report occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with Board policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When the Superintendent has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of *sexual misconduct* under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from the District, the Superintendent shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in *sexual misconduct* with the student as defined in *Faith's Law*. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of *sexual misconduct*. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in *sexual misconduct* is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Superintendent shall execute the recordkeeping requirements of *Faith's Law*.

Special Board of Education Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in Board policy 2:20, *Powers and Duties of the Board of Education; Indemnification*.

Anti-Nepotism

The District makes employment decisions on the basis of individual merit and without any suggestion of favoritism or discrimination. The District strives to hire the best candidate possible for each position and adheres to strict hiring practices. In the event the individual recommended for employment is a relative, the Superintendent or designee will ensure that (1) the person being hired is the best qualified candidate for the position; and (2) the persons concerned will not work in a direct supervisory relationship with one another. For purposes of this policy, "relatives" are defined as spouses, children, sisters, brothers, mothers or fathers.

The following guidelines will govern supervisory relationships:

1. No employee will be permitted to participate in the hiring of, or recommend the hiring of a relative.
2. One relative may not supervise another relative or work in a position which has an audit or control function over the other relative.
3. Relatives will not be involved in evaluating each other's job performance or in making recommendations for salary adjustments, promotions, transfers or other employment decisions.
4. Any pre-existing family relationship that predates this policy shall be exempt under this policy. However, if the employment relationship is changed so that the conflict no longer exists (e.g., the relative is in a position that no longer directly reports to the relative's supervisor), this policy will apply to future employment decisions regarding those two relatives.
5. Pre-existing family relationships are subject to restrictions if they create difficulty for supervision, evaluation, security or morale.
6. An employee who is involved in a personal dating relationship with another employee may not work directly for or supervise the employee with whom he/she is involved. If a personal dating relationship exists, it is the responsibility and obligation of the employees involved to disclose the existence of the relationship to the Superintendent.

If a conflict or a potential for conflict arises because of a relationship affecting employment, one or both of the individuals concerned will be given the opportunity to be reassigned to another position for which they are qualified if such a position is available. If no such position is available, one of the individuals may be required to leave his/her employment with the District. The District reserves the right to take prompt action if an actual or potential conflict of interest arises concerning employees who occupy positions in the same line of authority that might affect employment decisions.

General Personnel

Employee Ethics; Code of Professional Conduct; and Conflict of Interest

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and Board policies 2:265, *Title IX Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and

- c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
 - a. Violates expectations and guidelines for employee-student boundaries.
 - b. Sexually harasses a student.
 - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
 - d. Engages in *grooming* as defined in 720 ILCS 5/11-25.
 - e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act:

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and

7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, “no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected,” except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee’s immediate family;
2. An employee’s partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

School Counselor Gift Ban

School counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For school counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the school counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the school counselor believes that it was provided due to the official position or employment of the school counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the school counselor must consider the circumstances in which the gift was offered, including any of the following:
 - a. The history of the relationship between the individual giving the gift and the school counselor, including any previous exchange of gifts between those individuals.

- b. Whether, to the actual knowledge of the school counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
 - c. Whether, to the actual knowledge of the school counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
 6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
 7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.
 8. Travel, lodging, food, and beverage costs incurred by the school counselor and paid by an institution of higher education for attendance by the school counselor of an educational or military program at the institution of higher education.

A school counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The Board of Education's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes an employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

Family and Medical Leave

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning September 1 and ending August 31 of the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued paid leave for unpaid FMLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided by federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, both of the following provisions must describe the employee:

1. The employee is employed at a worksite where at least 50 employees are employed within 75 miles; and
2. The employee has been employed by the District for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, *et seq.*, or when a written agreement exists concerning the District's intention to rehire the employee.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the

continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that all teachers, other licensed educational employees (except for individuals employed as paraprofessional educators), and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the School Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the School District includes:

- Violation of Board policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and

The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Superintendent or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Superintendent or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the School District's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the School District as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Superintendent shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
 - a. A suspension with pay; or

- b. A suspension without pay.

Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Personal Leave, Leave of Absence Without Pay, Child-Rearing Leave

Please refer to the applicable collective bargaining agreement(s).

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be

substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leaves to Serve as an Officer Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) up to twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2, and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with 105 ILCS 5/24-3.5.

Employment At-Will

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in Board of Education policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually, have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Superintendent is authorized to make exceptions to employing nonlicensed employees at-will but shall maintain a record of positions or employees who are not at-will.

For employees not covered by a current applicable bargaining agreement:

The Board will determine salary and wages for educational support personnel. Increments are dependent on evidence of continuing satisfactory performance. An employee covered by the overtime provisions in State or federal law shall not work overtime without the prior authorization from the employee's immediate supervisor. Educational support personnel are paid twice a month.

Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to Board of Education policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Ill. State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Nonlicensed Personnel Working with Students and Performing Non-Instructional Duties

Nonlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long-distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities or for school activities connected to the academic program during any time in which the Governor has declared a disaster due to a public health emergency, in accordance with ISBE rule; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a nonlicensed person from serving as a guest lecturer or resource person under a licensed teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

Reduction in Force and Recall

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the

District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees. Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended, proceeding with:
 - a. A suspension with pay; or
 - b. A suspension without pay.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

**Please refer to the applicable collective bargaining agreement(s).
For employees not covered by a current applicable bargaining agreement:**

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 240 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Monthly Accumulation</u>	<u>Maximum Vacation Leave Earned Per Year</u>
<u>From:</u>	<u>To:</u>		
Beginning of year 2	End of year 5	0.83 Days	10 Days per year
Beginning of year 6	End of year 15	1.25 Days	15 Days per year
Beginning of year 16	End of year	1.67 Days	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a legal school holiday listed below, District employees will not be required to work on:

Martin Luther King Jr.'s Birthday	Columbus Day
Abraham Lincoln's Birthday	Veterans Day
Casimir Pulaski's Birthday	2024 Election Day
Memorial Day	Thanksgiving Day
Juneteenth National Freedom Day	Christmas Day

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

School Accountability

According to the Illinois General Assembly, the primary purpose of schooling is the transmission of knowledge and culture through which students learn in areas necessary to their continuing development and entry into the world of work. To fulfill that purpose, the Ill. State Board of Education (ISBE) prepared *State Goals for Learning and Learning Standards*.

The Board of Education gives priority in the allocation of resources, including funds, time, personnel, and facilities, to fulfilling this purpose.

Quality Assurance

The Board continuously monitors student achievement and the quality of the District's work. The Superintendent shall supervise the following quality assurance components, in accordance with State law and ISBE rules, and continuously keep the Board informed:

1. Prepare each school's annual recognition application and quality assurance appraisal, whether internal or external, to assess each school's continuous school improvement.
2. Continuously assess the District's and each school's overall performance in terms of both academic success and equity. This includes, without limitation, a thorough analysis of ISBE's balanced accountability measure and each school's *Multiple Measure Index* and corresponding *Annual Measurable Objective* provided by ISBE.
3. If applicable, develop School Improvement Plans, present them for Board approval, and supervise their implementation.
4. Prepare a school report card, present it at a regular Board meeting, and disseminate it as provided in State law.
5. In accordance with 105 ILCS 5/2-3.153, annually administer a climate survey on the instructional environment within the school to, at minimum, students in grades 4 through 12 and teachers.

State Board of Education (ISBE) waiver form indicating that the student understands what these aid opportunities are and has chosen not to file an application. If the student is not at least 18 years of age or legally emancipated, the student's parent/guardian must file one of these documents on the student's behalf.

A student is exempt from this requirement if: (1) the student is unable to file a financial aid application or an ISBE waiver due to extenuating circumstances, (2) the Building Principal attests the District made a good faith effort to assist the student or the student's parent/guardian with filing a financial aid application or an ISBE waiver form, and (3) the student has met all other graduation requirements.

The Superintendent or designee is responsible for:

1. Maintaining a description of all course offerings that comply with the above graduation requirements.
2. Notifying students and their parents/guardians of graduation requirements.
3. Developing the criteria for #4 above.
4. Complying with State law requirements for students who transfer during their senior year because their parent(s)/guardian(s) are on active military duty. This includes making reasonable adjustments to ensure graduation if possible, or efforts to ensure that the original (transferor) school district issues the student a diploma.
5. Taking all other actions needed or necessary to implement this policy.

Early Graduation

The Superintendent or designee shall implement procedures for students to graduate early, provided they meet all graduation requirements.

Certificate of Completion

A student with a disability who has an Individualized Education Program prescribing special education, transition planning, transition services, or related services beyond the student's four years of high school, qualifies for a certificate of completion after the student has completed four years of high school. The student is encouraged to participate in the graduation ceremony of his or her high

school graduation class. The Superintendent or designee shall provide timely written notice of this requirement to children with disabilities and their parents/guardians.

Service Member Diploma

The District will award a diploma to a service member who was killed in action while performing active military duty with the U.S. Armed Forces or an honorably discharged veteran of World War II, the Korean Conflict, or the Vietnam Conflict, provided that he or she (1) resided within an area currently within the District at the time he or she left high school, (2) left high school before graduating in order to serve in the U.S. Armed Forces, and (3) has not received a high school diploma.

Credit for Non-District Experiences

A student may receive high school credit for successfully completing any of the listed courses or experiences even when it is not offered in or sponsored by the District:

1. Distance learning course, including a correspondence, virtual, or online course
2. Courses in an accredited foreign exchange program
3. Summer school or community college courses
4. College or high school courses offering dual credit at both the college and high school level
5. Foreign language courses taken in an ethnic school program approved by the Illinois State Board of Education
6. Work-related training at manufacturing facilities or agencies in a Tech Prep Partnership for Careers program
7. Credit earned in a Vocational Academy

The student must seek approval from the Superintendent or designee to receive graduation credit for any non-District course or experience. The Superintendent or designee shall determine the amount of credit and whether a proficiency examination is required before the credit is awarded. As approval is not guaranteed, students should seek conditional approval of the experience before participating in a non-District course or experience. The student assumes responsibility for any fee, tuition, supply, or other expense. The student seeking credit is responsible for (1) providing documents or transcripts that demonstrate successful completion of the experience, and (2) taking a proficiency examination, if requested. The Superintendent or designee shall determine which, if any, non-District courses or experiences, will count toward a student's grade point average, class rank, and eligibility for athletic and extracurricular activities. When applicable, the Building Principal or designee shall, prior to the first day of class, inform individual high school students enrolled in a mixed enrollment dual credit course that includes students who have and have not met the community college's criteria for dual credit coursework of whether or not they are eligible to earn college credit for the course. This section does not govern the transfer of credits for students transferring into the District.

Substitutions for Required Courses

Vocational or technical education. A student in grades 9-12 may satisfy one or more high school courses (including physical education) or graduation requirements by successfully completing related vocational or technical education courses if:

1. The Building Principal approves the substitution(s) and the vocational or technical education course is completely described in curriculum material along with its relationship to the required course; and
2. The student's parent/guardian requests and approves the substitution(s) in writing on forms provided by the District.

Registered Apprenticeship Program. The Superintendent or designee will ensure that the District complies with State law requirements for registered apprenticeship programs. The opportunities and requirements for registered apprenticeship programs contained in this policy will be posted on the District's website, and parents/guardians and students will also be notified of such opportunities in the appropriate school handbook(s).

A student in grades 9-12 who is 16 years or older may satisfy one or more high school courses (including physical education) or graduation requirements by successfully completing a registered apprenticeship program if:

1. The registered apprenticeship program meets all criteria contained in State law;
2. The registered apprenticeship program is listed by the District, or the student identifies a registered (but not listed) apprenticeship program with a business or organization if one is not offered in the District;
3. The student enrolled in a registered apprenticeship program has the opportunity to earn post-secondary credit toward a certificate or degrees, as applicable;
4. The student's parent/guardian requests and approves the substitution(s) in writing on forms provided by the District and on its website;
5. The Building Principal approves the substitution(s); and
6. All non-academic requirements mandated by the School Code for high school graduation that would otherwise prohibit or prevent the student from participating in the registered apprenticeship program are waived.

Advanced placement computer science. The advanced placement computer science course is equivalent to a high school mathematics course. A student in grades 9-12 may substitute the advanced placement computer science course for one year of mathematics, in accordance with Section 27-22 of the School Code. The transcript of a student who completes the advanced placement computer science course will state that it qualifies as a mathematics-based, quantitative course.

Substitutions for physical education. A student in grades 9-12, unless otherwise stated, may submit a written request to the Building Principal to be excused from physical education courses for the reasons stated below. The Superintendent or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

1. Ongoing participation in a marching band program for credit;
2. Enrollment in Reserve Officer's Training Corps (ROTC) program sponsored by the District;
3. Ongoing participation in an interscholastic or extracurricular athletic program;
4. Enrollment in academic classes that are required for admission to an institution of higher learning (student must be in the 11th or 12th grade); or
5. Enrollment in academic classes that are required for graduation from high school, provided that failure to take such classes will result in the student being unable to graduate (student must be in the 11th or 12th grade).

A student who is eligible for special education may be excused from physical education courses pursuant to 7:260, *Exemption from Physical Education*.

Volunteer service credit. A student participating in the District's Volunteer Service Credit Program, if any, may earn credit toward graduation for the performance of community service. The amount of credit given for program participation shall not exceed that given for completion of one semester of language arts, math, science, or social studies.

Re-Entering Students

Individuals younger than 21 years of age may re-enter high school to acquire a high school diploma or an equivalency certificate, subject to the limitations in Board policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*. Re-entering students may obtain credit through the successful completion of the following (not all of these may be available at any one time):

1. District courses
2. Non-District experiences described in this policy
3. Classes in a program established under Section 10-22.20 of the School Code, in accordance with the standards established by the Illinois Community College Board
4. Proficiency testing, correspondence courses, life experiences, and other nonformal educational endeavors
5. Military service, provided the individual making the request has a recommendation from the American Council on Education

High School Credit for Students in Grade 7 or 8

The Superintendent or designee may investigate, coordinate, and implement a program for students in grades 7 and 8 to enroll in a course required for a high school diploma.

If a program is available, students in grades 7 and 8 may enroll in a course required for a high school diploma when the course is offered by the high school that the elementary student would attend and one of the following is satisfied: (1) the student participates in the course at the high school and the elementary student's enrollment in the course would not prevent a high school student from being able to enroll, or (2) the student participates in the course where the student attends school as long as the student passes the course and the end-of-course examination given at the high school granting the credit for the same course, demonstrating proficiency at the high school level, or (3) the course is taught by a teacher who holds a professional educator license with an endorsement for the grade level and content area of the course.

A student who successfully completes a course required for a high school diploma while in grades 7 and 8 shall receive academic credit for the course. That academic credit shall satisfy the requirements of 105 ILCS 5/27-615 for purposes of receiving a high school diploma, unless evidence about the course's rigor and content show that the course did not address the relevant Illinois learning standard at the level appropriate for the high school grade during which the course is usually taken. The student's grade in the course shall also be included in the student's grade point average.

High School Credit for Proficiency

Proficiency Credits

Subject to the limitations in this policy and State law, the Superintendent or designee is authorized to establish and approve a program for granting credit for proficiency with the goal of allowing a student who would not benefit from a course because the student is proficient in the subject area to receive credit without having to take the course. A student who demonstrates competency under this program will receive course credit for the applicable course and be excused from any requirement to take the course as a graduation prerequisite. No letter grade will be given for purposes of the student's cumulative grade point average. The Superintendent or designee shall notify students of the availability of and requirements for receiving proficiency credit.

Proficiency credit will be offered in the following subject areas:

Foreign language - A student is eligible to receive one year of foreign language credit if the student has graduated from an accredited elementary school and can demonstrate proficiency, according to this District's academic criteria, in a language other than English. A student who demonstrates proficiency in American Sign Language is deemed proficient in a foreign language and will receive one year of foreign language credit. A student who studied a foreign language in an approved ethnic school program is eligible to receive appropriate credit according to the level of proficiency reached; the student may be required to take a proficiency examination.

Other proficiency testing - The program for granting credit for proficiency may allow, as the Superintendent deems appropriate, course credit to be awarded on the basis of a local examination to a student who has achieved the necessary proficiency through independent study or work taken in or through another institution. Proficiency testing may also be used to determine eligible credit for other subjects whenever students enter from non-graded schools, non-recognized or non-accredited schools, or were in a home-schooling program.

Student Testing and Assessment Program

The District student assessment program provides information for determining individual student achievement and instructional needs, curriculum and instruction effectiveness, and school performance measured against District student learning objectives and statewide norms.

The Superintendent or designee shall manage the student assessment program that, at a minimum:

1. Administers to students all standardized assessments required by the Ill. State Board of Education (ISBE) and/or any other appropriate assessment methods and instruments, including norm and criterion-referenced achievement tests, aptitude tests, proficiency tests, and teacher-developed tests.
2. Informs students of the timelines and procedures applicable to their participation in every State assessment.
3. Provides each student's parents/guardians with the results or scores of each State assessment and an evaluation of the student's progress. See policy 6:280, *Grading and Promotion*.
4. Utilizes professional testing practices.

Overall student assessment data on tests required by State law will be aggregated by the District and reported, along with other information, on the District's annual report card. All reliable assessments administered by the District and scored by entities outside of the District must be (1) reported to ISBE on its form by the 30th day of each school year, and (2) made publicly available to parents/guardians of students. The Superintendent shall use reasonable measures to inform staff members and students of this policy by including:

1. For students, age-appropriate information about the contents of this policy in the District’s student handbook(s), on the District’s website, and, if applicable, in any other areas where policies, rules, and standards of conduct are otherwise posted in each school.
2. For staff members, this policy in the appropriate employee handbook(s), if applicable, and/or in any other areas where policies, rules, and standards of conduct are otherwise made available to staff.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator, Title IX Coordinator, or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District’s duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Title IX Coordinator or designee shall consider whether action under Board policy 2:265, *Title IX Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged student harassment that does not require action under Board policies 2:265, *Title IX Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policies 2:260, *Uniform Grievance Procedure*, and/or 7:190, *Student Behavior*, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A(b), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to Board policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under Board policy 2:265, *Title IX Grievance Procedure*, or Board policy 2:260, *Uniform Grievance Procedure*.

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action up to and including discharge. Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the behavior policy. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*).

Students should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Student Assignment and Intra-District Transfer

Attendance Areas

The School District is divided into school attendance areas. The Superintendent will:

1. Review the boundary lines annually and recommend to the Board of Education any changes or revisions for existing units; or
2. Create new units using a lens that considers preventing segregation and the elimination of separating students in the District's schools because of color, race, or nationality.

The Superintendent or designee shall maintain a map of the District showing current school attendance areas. All records pertaining to the creation, alteration, or revision of attendance units are open to the public. Students living in a given school attendance area will be assigned to that school. Homeless children shall be assigned according to policy 6:140, *Education of Homeless Children*.

Transfers Within the District

A student's parent(s)/guardian(s) may request a transfer for their child to a District school other than the one assigned. A request should be directed to the Superintendent, who, at his or her sole discretion, may grant the request when the parent(s)/guardian(s) demonstrate that the student could be better accommodated at another school, provided space is available. This request must be submitted annually for approval. If a request is granted, the parent/guardian shall be responsible for transportation. The provisions in this section have no applicability to transfers pursuant to the Unsafe School Choice Option covered in Board policy 4:170, *Safety*.

Class Assignments

The Building Principal shall assign students to classes.

Nonpublic School Students, Including Parochial and Home-Schooled Students

Part-Time Attendance

The District accepts nonpublic school students, including parochial and home-schooled students, who live within the District for part-time attendance in the District's regular education program on a space-available basis. Requests for part-time attendance must be submitted to the Building Principal of the school in the school attendance area where the student resides. All requests for attendance in the following school year must be submitted before May 1.

A student accepted for partial enrollment must comply with all discipline and attendance requirements established by the school. He or she may participate in any co-curricular activity associated with a District class in which he or she is enrolled. The parent(s)/guardian(s) of a student accepted for partial enrollment must pay all fees, pro-rated on the basis of a percentage of full-time fees. Transportation to and/or from school is provided on regular bus routes to or from a point on the route nearest or most easily accessible to the nonpublic school or student's home. This transportation shall be on the same basis as the District provides transportation for its full-time students. Transportation on other than established bus routes is the responsibility of the parent(s)/guardian(s).

Students with a Disability

The District accepts for part-time attendance those children for whom it has been determined that special education services are needed, are enrolled in nonpublic schools, and otherwise qualify for enrollment in the District. Requests must be submitted by the student's parent/guardian. Special educational services shall be provided to such students as soon as possible after identification, evaluation, and placement procedures provided by State law, but no later than the beginning of the next school semester following the completion of such procedures. Transportation for such students shall be provided only if required in the child's Individualized Educational Program on the basis of the child's disabling condition or as the special education program location may require.

Extracurricular Activities, Including Interscholastic Competition

A nonpublic school student is eligible to participate in: (1) interscholastic competition, provided his or her participation adheres to the regulations established by any association in which the District maintains a membership, and (2) non-athletic extracurricular activities, provided the student attends a District school for at least one-half of the regular school day, excluding lunch. A nonpublic student who participates in an extracurricular activity is subject to all policies, regulations, and rules that are applicable to other participants in the activity.

Assignment When Enrolling Full-Time in a District School

Grade placement by, and academic credits earned at, a nonpublic school will be accepted if the school has a Certificate of Nonpublic School Recognition from the Ill. State Board of Education, or, if outside Illinois, if the school is accredited by the state agency governing education.

A student who, after receiving instruction in a non-recognized or non-accredited school, enrolls in the District will: (1) be assigned to a grade level according to academic proficiency, and/or (2) have academic credits recognized by the District if the student demonstrates appropriate academic

proficiency to the school administration. Any portion of a student's transcript relating to such instruction will not be considered for placement on the honor roll or computation in class rank.

Notwithstanding the above, recognition of grade placement and academic credits awarded by a nonpublic school is at the sole discretion of the District. All school and class assignments will be made according to Board policy 7:30, *Student Assignment and Intra-District Transfer*, as well as administrative procedures implementing this policy.

School Admissions and Student Transfers To and From Non-District Schools

Age

To be eligible for admission, a child must be five years old on or before September 1 of that school term. A child entering first grade must be six years of age on or before September 1 of that school term. Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates. A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be six years old on or before December 31. A child with exceptional needs who qualifies for special education services is eligible for admission at three years of age. Early entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*.

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within ten days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that ten-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U. S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in the legal custody of DCFS as required by State law.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

The Superintendent is authorized to allow a student who was suspended or expelled from any public or private school to be placed in an alternative school program established under Article 13A of the School Code or an alternative learning opportunities program established under Article 13B of the School Code for the remainder of the suspension or expulsion. When determining whether to authorize such placement, the Superintendent shall consider any mitigating factors relating to the suspension or expulsion, including the student's status as a parent, expectant parent, or victim of domestic or sexual violence as defined in 105 ILCS 5/26A.

Foreign Students

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition.

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate. F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-enrollment

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under 105 ILCS 5/26-16 or an alternative learning opportunities program established under 105 ILCS 5/13B-1 (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, *Expulsion Procedures*. A person denied re-enrollment will be offered counseling and be directed to alternative

educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.

Residence

Resident Students

Only students who are residents of the District may attend a District school without a tuition charge, except as otherwise provided below or in State law. A student's residence is the same as the person who has legal custody of the student.

A person asserting legal custody over a student, who is not the child's natural or adoptive parent, shall complete a signed statement, stating: (a) that he or she has assumed and exercises legal responsibility for the child, (b) the reason the child lives with him or her, other than to receive an education in the District, and (c) that he or she exercises full control over the child regarding daily educational and medical decisions in case of emergency. If the District knows the current address of the child's natural or adoptive parent, the District shall request in writing that the person complete a signed statement or affidavit stating: (a) the role and responsibility of the person with whom their child is living, and (b) that the person with whom the child is living has full control over the child regarding daily educational and medical decisions in case of emergency.

A student whose family moves out of the District during the school year will be permitted to attend school for the remainder of the year without payment of tuition.

When a student's change of residence is due to the military service obligation of the student's legal custodian, the student's residence is deemed to be unchanged for the duration of the custodian's military service obligation if the student's custodian made a written request. The District, however, is not responsible for the student's transportation to or from school.

If, at the time of enrollment, a dependent child of military personnel is housed in temporary housing located outside of the District, but will be living within the District within six months after the time of initial enrollment, the child is allowed to enroll, subject to the requirements of State law, and must not be charged tuition.

Residence of Students with Disabilities

The residence of a child with a disability is determined in accordance with 105 ILCS 5/14-1.11, 5/14-1.11a, and 5/14-1.11b.

Admission of Nonresident Students Pursuant to an Agreement or Order

Nonresident students may attend District schools pursuant to:

1. A written agreement with an adjacent school district to provide for tuition-free attendance by a student of that district, provided both the Superintendent or designee and the adjacent district determine that the student's health and safety will be served by such attendance.
2. A written agreement with cultural exchange organizations and institutions supported by charity to provide for tuition-free attendance by foreign exchange students and nonresident pupils of charitable institutions.
3. According to an intergovernmental agreement, including, but not limited to, an agreement for interdistrict transfer of students who are parents, expectant parents, or victims of domestic or sexual violence under 105 ILCS 5/26A.
4. Whenever any State or federal law or a court order mandates the acceptance of a nonresident student.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required to establish residency. Board of Education policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Challenging a Student's Residence Status

If the Superintendent or designee determines that a student attending school on a tuition-free basis is a nonresident of the District for whom tuition is required to be charged, he or she on behalf of the Board of Education shall notify the person who enrolled the student of the tuition amount that is due. The notice shall detail the specific reasons why the Board believes that the student is a nonresident of the District and shall be given by certified mail, return receipt requested. The person who enrolled the student may challenge this determination and request a hearing as provided by the School Code, 105 ILCS 5/10-20.12b.

Attendance and Truancy

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades kindergarten through 12 in the public school regardless of age.

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness (including mental or behavioral health of the student), attendance at a verified medical or therapeutic appointment (including a victim services provider), observance of a religious holiday, death in the immediate family, attendance at a civic event, family emergency, other situations beyond the control of the student as determined by the Board, voting pursuant to Board policy 7:90, *Release During School Hours* (10 ILCS 5/7-42 and 5/17-15), other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Superintendent or designee. For students who are parents, expectant parents, or victims of domestic or sexual violence, valid cause for absence also includes the fulfillment of a parenting responsibility and addressing circumstances resulting from domestic or sexual violence. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and Board of Education policy. The program shall include but not be limited to:

1. A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Superintendent or designee is authorized to determine when the student's absence is justified.
2. A protocol for excusing a student in grades 6 through 12 from attendance to sound *Taps* at a military honors funeral held in Illinois for a deceased veteran.
3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
4. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.

5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in 105 ILCS 5/26-2a.
6. A description of diagnostic procedures for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information about the reasons for the student's attendance problem.
7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, and information about available community services relevant to such students' needs. See Board policy 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*.
8. A process for the collection and review of chronic absence data and to:
 - a. Determine what systems of support and resources are needed to engage chronically absent students and their families, and
 - b. Encourage the habit of daily attendance and promote success.
9. Reasonable efforts to provide ongoing professional development to all school personnel, Board members, and school resource officers on the appropriate and available supportive services for the promotion of student attendance and engagement.
10. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
11. A protocol for cooperating with non-District agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, Student Records, as well as State and federal law concerning school student records.
12. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student.
13. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Superintendent believes qualifies.
14. An approval process for students to attend activities allowed under 105 ILCS 5/10-19.05(k), including provisions for making up missed coursework that do not penalize students.
15. A process for a 17-year-old resident to participate in the District's various programs and resources for truants. The student must provide documentation of his/her dropout status for the previous six months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in Board policy 7:50, *School Admissions and Student Transfers To and From Non-District Schools*.
16. A process for the temporary exclusion of a student 17 years of age or older for failing to meet minimum attendance standards according to provisions in State law. A parent/guardian has the right to appeal a decision to exclude a student.

Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grades 6 and 12.

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. Before admission and in conjunction with required physical examinations, parents/guardians of children between the ages of one and seven years must provide a statement from a physician that their child was *risk-assessed* or screened for lead poisoning.
5. The IDPH will provide all students entering sixth grade and their parents/guardians information about the link between human papillomavirus (HPV) and HPV-related cancers and the availability of the HPV vaccine.
6. The District will provide informational materials regarding influenza and influenza vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

Unless an exemption or extension applies, the failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after October 15 of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons

must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.

Search and Seizure

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left on School Property by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a licensed employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, physical appearance, socioeconomic status, academic status, pregnancy, parenting status, homelessness, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, order of protection status, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from 105 ILCS 5/22-110

Artificial intelligence means a machine-based system that, for explicit or implicit objectives, infers, from the input it receives, how to generate outputs such as predictions, content, recommendations, or decisions that can influence physical or virtual environments. *Artificial intelligence* includes generative artificial intelligence.

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, posting or distributing sexually explicit images, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the posting or distribution of an unauthorized digital replica by electronic means if the posting or distribution creates any of the effects enumerated in the definition of *bullying*.

Digital replica means a newly created, electronic representation of the identity of an actual individual created using a computer, algorithm, software, tool, artificial intelligence, or other technology that is fixed in a sound recording or audiovisual work in which that individual did not actually perform or appear and that is so realistic that a reasonable observer would believe it is a performance by the individual being portrayed and no other individual.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Unauthorized digital replica means the use of a digital replica of an individual without the consent of the depicted individual.

Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below.

1. The District uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected

under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.

3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Title IX Coordinator, Building Principal, Assistant Building Principal, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

The Superintendent or designee shall investigate whether a reported incident of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

6. The Superintendent or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. Any person's act of reprisal or retaliation will be subject to disciplinary action, up to and including discharge with regard to employees, or suspension and/or expulsion with regard to students.
8. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, a person who is found to have falsely accused another of bullying, as a means of retaliation, as a means of bullying, or provided false information will be treated as either: (a) *bullying*, (b) student discipline up to and including suspension and/or expulsion, and/or (c) both (a) and (b) for purposes of determining any consequences or other appropriate remedial actions.
9. The District's bullying prevention and response plan is based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Superintendent or designee shall post this policy on the District's publicly accessible website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to parents/guardians, students, and school personnel (including new

employees when hired), and must also be provided periodically throughout the school year to students and faculty.

11. Pursuant to State law and Board policy 2:240, *Board Policy Development*, the Board monitors this policy every two years by conducting a review and re-evaluation of this policy to make any necessary and appropriate revisions. The Superintendent or designee shall assist the Board with its re-evaluation and assessment of this policy's outcomes and effectiveness. Updates to this policy will reflect any necessary and appropriate revisions. This process shall include, without limitation:
 - a. The frequency of victimization;
 - b. Student, staff, and family observations of safety at a school;
 - c. Identification of areas of a school where bullying occurs;
 - d. The types of bullying utilized; and
 - e. Bystander intervention or participation.

The evaluation process may use relevant data and information that the District already collects for other purposes. Acceptable documentation to satisfy the re-evaluated policy submission include one of the following:

- ii. If no revisions are deemed necessary, a copy of Board minutes indicating that the policy was re-evaluated and no changes were deemed to be necessary; or
- iii. A signed statement from the Board President indicating that the Board re-evaluated the policy and no changes to it were necessary.

The Superintendent or designee must post the information developed as a result of the policy re-evaluation on the District's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students. Reviews and re-evaluations in years they are due must be submitted to ISBE by September 30.

12. The Superintendent or designee shall fully implement the Board policies, including without limitation, the following:
 - a. 2:260, *Uniform Grievance Procedure*. A student may use this policy to complain about bullying.
 - b. 2:265, *Title IX Grievance Procedure*. Any person may use this policy to complain about sexual harassment in violation of Title IX of the Education Amendments of 1972.
 - c. 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*. Any person may use this policy to complain about discrimination or harassment on the basis of race, color, or national origin in violation of Title VI of the Civil Rights Act of 1964 and/or the Illinois Human Rights Act.
 - d. 6:60, *Curriculum Content*. Bullying prevention and character instruction is provided in all grades in accordance with State law.

- e. 6:65, *Student Social and Emotional Development*. Student social and emotional development is incorporated into the District's educational program as required by State law.
- f. 6:235, *Access to Electronic Networks*. This policy states that the use of the District's electronic networks is limited to: (1) support of education and/or research, or (2) a legitimate business use.
- g. 7:20, *Harassment of Students Prohibited*. This policy prohibits *any* person from harassing, intimidating, or bullying a student based on an identified actual or perceived characteristic (the list of characteristics in 7:20 is the same as the list in this policy).
- h. 7:185, *Teen Dating Violence Prohibited*. This policy prohibits teen dating violence on school property, at school sponsored activities, and in vehicles used for school-provided transportation.
- i. 7:190, *Student Behavior*. This policy prohibits, and provides consequences for, hazing, bullying, or other aggressive behaviors, or urging other students to engage in such conduct.
- j. 7:310, *Restrictions on Publications; Elementary Schools*, and 7:315, *Restrictions on Publications; High Schools*. These policies prohibit students from and provide consequences for: (1) accessing and/or distributing at school any written, printed, or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (2) creating and/or distributing written, printed, or electronic material, including photographic material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.

Teen Dating Violence Prohibited

Engaging in teen dating violence that takes place at school, on school property, at school-sponsored activities, or in vehicles used for school-provided transportation is prohibited. For purposes of this policy, the term *teen dating violence* occurs whenever a student uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship.

The Superintendent or designee shall develop and maintain a program to respond to incidents of teen dating violence that:

1. Fully implements and enforces each of the following Board policies:
 - a. 2:260, *Uniform Grievance Procedure*. This policy provides a method for any student, parent/guardian, employee, or community member to file a complaint if he or she believes that the Board of Education, its employees, or its agents have violated his or her rights under the State or federal Constitution, State or federal statute, Board policy, or various enumerated bases.
 - b. 2:265, *Title IX Grievance Procedure*. This policy prohibits a District employee, agent, or student from engaging in sexual harassment in violation of Title IX of the Education Amendments of 1972. Prohibited conduct includes but is not limited to sexual assault, dating violence, domestic violence, and stalking.
 - c. 7:20, *Harassment of Students Prohibited*. This policy prohibits any person, including a District employee, agent, or student, from harassing intimidating, or bullying a student based on the student's actual or perceived characteristics of sex; sexual orientation; gender identity; and gender-related identity or expression (this policy includes more protected statuses).
 - d. 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. This policy prohibits students from engaging in bullying, intimidation, and harassment at school, school-related events and electronically. Prohibited conduct includes threats, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.
2. Encourages anyone with information about incidents of teen dating violence to report them to any of the following individuals:
 - a. Any school staff member. School staff shall respond to incidents of teen dating violence by following the District's established procedures for the prevention, identification, investigation, and response to bullying and school violence.
 - b. The Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, or a Complaint Manager identified in policy 7:20, *Harassment of Students Prohibited*.
3. Incorporates age-appropriate instruction in grades 7 through 12, in accordance with the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*. Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in *prohibited student conduct*, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
 - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).
 - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
 - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.

- d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*.
- e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
- f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
- g. Look-alike or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
- h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

- 4. Using, possessing, controlling, or transferring a *weapon* as that term is defined in the **Weapons** section of this policy, or violating the **Weapons** section of this policy.
- 5. Using or possessing an electronic paging device.
- 6. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered off or silenced and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP) or Section 504 plan; (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
- 7. *Sexting*, which, for purposes of this policy, is the act of creating, sending, sharing, viewing, receiving, or possessing sexually explicit messages, images, or videos electronically, regardless of whether they are authentic or computer-generated, through the use of a computer, electronic communication device, or cellular phone. Sexting also includes creating, sending, sharing, viewing, receiving, or possessing *indecent visual depictions, non-*

consensual dissemination of private sexual images, and non-consensual dissemination of sexually explicit digitized depictions, as defined in State law.

8. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
9. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
10. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, using a writing service and/or generative artificial intelligence technology in place of original work unless specifically authorized by staff, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
11. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.
12. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
13. Teen dating violence, as described in Board policy 7:185, *Teen Dating Violence Prohibited*.
14. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
15. Entering school property or a school facility without proper authorization.
16. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
17. Being absent without a recognized excuse; State law and Board of Education policy regarding truancy control will be used with chronic and habitual truants.
18. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
19. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
20. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
21. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the

threatened individual because of his or her duties or employment status or status as a student inside the school.

22. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
23. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term *possession* includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not

provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.

9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended shall also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled shall also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), *look-alikes*, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited in all circumstances. *Corporal punishment* is defined as a discipline method in which a person deliberately inflicts pain upon a student in response to the student's unacceptable behavior or inappropriate language, with an aim to halt an offense, prevent its recurrence, or set an example for others. It includes slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as permitted by 105 ILCS 5/10-20.33.

Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in 105 ILCS 5/10-20.33, Ill. State Board of Education (ISBE) rules (23 Ill.Admin.Code §§ 1.280, 1.285), and the District's procedure(s).

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than two calendar years:

1. A *firearm*, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 2012 (720 ILCS 5/24-1).

2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any *firearm* as defined above.

The expulsion requirement under either paragraph one or two above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on school grounds, becomes aware of any person in possession of a firearm on school grounds, or becomes aware of any threat of gun violence on school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member or is subject to a battery. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Upon receiving a report of (1), above, the Building Principal or designee shall immediately notify local law enforcement. If the report of (1), above, pertains to a threat of firearm violence made by a student, the Building Principal or designee shall attempt to notify the student's parent/guardian as soon as possible and shall further attempt to contact the parent/guardian to ensure that the student does not have access to a firearm. In addition, upon receiving a report on any of the above (1)-(3), the Building Principal or designee shall notify the Superintendent or designee and any involved student's parent/guardian.

Upon receiving a report on any of the above (1)-(3), the Superintendent or designee shall immediately notify local law enforcement. The Superintendent or designee shall also report these incidents to ISBE through its web-based School Incident Reporting System as they occur during the year and no later than July 31 for the preceding school year.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other licensed educational employees, and any other persons (whether or not a licensed employee) providing a related service for or with respect to a student, may only use

reasonable force as permitted by 105 ILCS 5/10-20.33. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, or Assistant Building Principal is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

Suspension Procedures

In-School Suspension

The Superintendent or designee is authorized to maintain an in-school suspension program. The program shall include, at a minimum, each of the following:

1. Before assigning a student to in-school suspension, the charges will be explained and the student will be given an opportunity to respond to the charges.
2. Students are supervised by licensed school personnel.
3. Students are given the opportunity to complete classroom work during the in-school suspension for equivalent academic credit.

Out-of-School Suspension

The Superintendent or designee shall implement suspension procedures that provide, at a minimum, for each of the following:

1. A conference during which the charges will be explained and the student will be given an opportunity to respond to the charges before he or she may be suspended.
2. A pre-suspension conference is not required, and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process.  - e. Depending upon the length of the out-of-school suspension, include the following applicable information:
 - i. For a suspension of 3 school days or less, an explanation that the student's continuing presence in school would either pose:
 - a) A threat to school safety, or
 - b) A disruption to other students' learning opportunities.
 - ii. For a suspension of 4 or more school days, an explanation:

- a) That other appropriate and available behavioral and disciplinary interventions have been exhausted,

 - ii) Substantially disrupt, impede, or interfere with the operation of the school.
 - d) Of what, if any, appropriate and available support services will be provided to the student during the length of his or her suspension, as determined by the Superintendent or designee.

Exemption from Physical Education

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

State law prohibits the Board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 3-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

A student in grades 9-12, unless otherwise stated, may submit a written request to the Building Principal to be excused from physical education courses for the reasons stated in 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

Students in grades 7 and 8 may submit a written request to the Building Principal to be excused from physical education courses because of his or her ongoing participation in an interscholastic or extracurricular athletic program. The Building Principal will evaluate requests on a case-by-case basis.

The Superintendent or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student's participation ceases;
2. The student's class schedule; and

3. The student's future or planned additional participation in activities qualifying for substitutions for physical education as outlined in policy 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form (SMA Form)* is submitted by the student's parent/guardian.

No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Superintendent or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an allergy emergency action plan, (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act. A student may also possess the supplies and equipment necessary to monitor and treat diabetes in accordance with the student's diabetes care plan and/or the supplies, equipment, and medication necessary to treat epilepsy in accordance with the student's seizure action plan.

The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

The Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated asthma medication in the name of the District and provide or administer them as necessary according to State law. *Undesignated asthma medication* means an asthma medication prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as

defined in State law, may administer an undesignated asthma medication to a person when they, in good faith, believe a person is having *respiratory distress*. Respiratory distress may be characterized as *mild-to-moderate* or *severe*. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Epinephrine Injectors

The Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated epinephrine injectors in the name of the District and provide or administer them as necessary according to State law. *Undesignated epinephrine injector* means an epinephrine injector prescribed in the name of the District or one of its schools. School District Supply of Undesignated Opioid Antagonists

The Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated opioid antagonists and provide or administer them as necessary according to State law. *Opioid antagonist* means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration. *Undesignated opioid antagonist* is not defined by the School Code; for purposes of this policy it means an opioid antagonist prescribed in the name of the District or one of its schools or obtained by the District without a prescription. A school nurse or trained personnel, as defined in State law, may administer an undesignated opioid antagonist to a person when they, in good faith, believe a person is having an opioid overdose. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law. See the website for the Ill. Dept. of Human Services for information about opioid prevention, abuse, public awareness, and a toll-free number to provide information and referral services for persons with questions concerning substance abuse treatment.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:
 - a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
 - b. Copies of the registry identification cards are provided to the District;

2. A properly trained school nurse or administrator, who shall be allowed to administer the *medical cannabis infused product* to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the District or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **School District Supply of Undesignated Asthma Medication** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated asthma medication from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school asthma medication.

The **Administration of Medical Cannabis** section of the policy is void and the District reserves the right not to implement it if the District or school is in danger of losing federal funding.

Administration of Undesignated Medication

Upon any administration of an undesignated medication permitted by State law, the Superintendent or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Undesignated Medication Disclaimers

Upon implementation of this policy, the protections from liability and hold harmless provisions applicable under State law apply.

No one, including without limitation, parents/guardians of students, should rely on the District for the availability of undesignated medication. This policy does not guarantee the availability of

undesigned medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

Anaphylaxis Prevention, Response, and Management Program

School attendance may increase a student's risk of exposure to allergens that could trigger anaphylaxis. Students at risk for anaphylaxis benefit from a Board of Education policy that coordinates a planned response in the event of an anaphylactic emergency. Anaphylaxis is a severe systemic allergic reaction from exposure to allergens that is rapid in onset and can cause death. Common allergens include animal dander, fish, latex, milk, shellfish, tree nuts, eggs, insect venom, medications, peanuts, soy, and wheat. A severe allergic reaction usually occurs quickly; death has been reported to occur within minutes. An anaphylactic reaction can also occur up to one to two hours after exposure to the allergen.

While it is not possible for the District to completely eliminate the risks of an anaphylactic emergency when a student is at school, an Anaphylaxis Prevention, Response, and Management Program helps the District reduce these risks and provide accommodations and proper treatment for anaphylactic reactions.

The Superintendent or designee shall develop and implement an Anaphylaxis Prevention, Response, and Management Program for the prevention and treatment of anaphylaxis that:

1. Fully implements the Ill. State Board of Education (ISBE)'s model policy required by the School Code that: (a) relates to the care and response to a person having an anaphylaxis reaction, (b) addresses the use of epinephrine in a school setting, (c) provides a full food allergy and prevention of allergen exposure plan, and (d) aligns with 105 ILCS 5/22-30 and 23 Ill.Admin.Code §1.540.
2. Ensures staff members receive appropriate training, including: (a) an in-service training program for staff who work with students that is conducted by a person with expertise in anaphylactic reactions and management, and (b) training required by law for those staff members acting as *trained personnel*, as provided in 105 ILCS 5/22-30 and 23 Ill.Admin.Code §1.540.
3. Implements and maintains a supply of undesignated epinephrine in the name of the District, in accordance with policy 7:270, *Administering Medicines to Students*.
4. Follows and references the applicable best practices specific to the District's needs in the Centers for Disease Control and Prevention's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* and the *National Association of School Nurses Allergies and Anaphylaxis Resources/Checklists*.
5. Provides annual notice to the parents/guardians of all students to make them aware of this policy.
6. Complies with State and federal law and is in alignment with Board policies.

Monitoring

Pursuant to State law and policy 2:240, *Board Policy Development*, the Board reviews and makes any necessary updates to this policy at least once every three years. The Superintendent or designee shall assist the Board with its review and any necessary updates.

Educational technologies used in the District shall further the objectives of the District's educational program, as set forth in Board policy 6:10, *Educational Philosophy and Objectives*, align with the curriculum criteria in policy 6:40, *Curriculum Development*, and/or support efficient District operations. The Superintendent shall ensure that the use of educational technologies in the District meets the above criteria.

The District and/or vendors under its control may need to collect and maintain data that personally identifies students in order to use certain educational technologies for the benefit of student learning or District operations.

Federal and State law govern the protection of student data, including school student records and/or *covered information*. The sale, rental, lease, or trading of any school student records or covered information by the District is prohibited. Protecting such information is important for legal compliance, District operations, and maintaining the trust of District stakeholders, including parents, students and staff.

When appropriate, the District may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The District will provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, website, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Superintendent or designee is designated the Title II Coordinator and shall:

1. Oversee the District's compliance efforts, recommend necessary modifications to the Board of Education, and maintain the District's final Title II self-evaluation document, update it to the extent necessary, and keep it available for public inspection for at least three years after its completion date.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Superintendent or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent or designated Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure.

Gifts to the District

The Board of Education appreciates gifts from any education foundation, other entities, or individuals. All gifts must adhere to each of the following:

1. Be accepted by the Board or, if less than \$500.00 in value, the Superintendent or designee. Individuals should obtain a pre-acceptance commitment before identifying the District, any school, or school program or activity as a beneficiary in any fundraising attempt, including without limitation, any Internet fundraising attempt.
2. Be given without a stated purpose or with a purpose deemed by the party with authority to accept the gift to be compatible with the Board's educational objectives and policies.
3. Be consistent with the District's mandate to provide equal educational and extracurricular opportunities to all students in the District as provided in Board policy 7:10, *Equal Educational Opportunities*. State and federal laws require the District to provide equal treatment for members of both sexes to educational programming, extracurricular activities, and athletics. This includes the distribution of athletic benefits and opportunities.
4. Permit the District to maintain resource equity among its learning centers.
5. Be viewpoint neutral when the gift involves the incorporation of any messages. The Superintendent or designee shall manage a process for the review and approval of donations involving the incorporation of messages into or placing messages upon school property.
6. Comply with all laws applicable to the District including, without limitation, the Americans with Disabilities Act, the Prevailing Wage Act, the Health/Life Safety Code for Public Schools, and all applicable procurement and bidding requirements.

The District will provide equal treatment to all individuals and entities seeking to donate money or a gift. Upon acceptance, all gifts become the District's property. The acceptance of a gift is not an endorsement by the Board, District, or school of any product, service, activity, or program. The method of recognition is determined by the party accepting the gift.

Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.
