**Re:** June Board Report  
**Date:** 6/4/25

### ***Special Education:***

- We are in the process of reviewing candidates for the CHS social worker position as well as the special ed teacher position at North Creek. First and second round interviews will hopefully be completed by mid June.
- Our summer learning plans are finalized. Our students who receive resource room services will be offered summer learning during the month of July for 4 weeks, 4 days a week for two and a half hours. This will be led by Alex Soule and Greg Stephens. We will also be providing support at Safety Town and Jump Start so all students can participate in these crucial learning opportunities prior to starting at North Creek in the fall.

### ***Early Childhood:***

- Our annual end of year family picnic was Thursday, May 8th from 5:30-6:30. The weather was great and it was very well attended with about 150 people in attendance. It is a fun way to wrap up a great year!
- On Friday, May 16th we graduated 63 children. We are always so sad to see the end of their first learning experience come to a close but are excited to see them head off to North Creek!
- At this time, we are almost completely full in all of our preschool offerings, even a newly offered section of partial day on Monday and Wednesday afternoons. As they say if you build it they will come! We are thrilled to have such high enrollment for fall!

Respectfully,

Lisa Nickel, Director of Special Education and Early Childhood
