Principal's General Narrative:

July was a busy month at the Secondary schools. We have been working on buildings, hiring, and continuing to prepare for the start of school. We had students retest for the EOC exams during the week of July 7<sup>th</sup>. We have had several teachers gone attend workshops and have been working in their rooms to prepare for next year. Mrs. Powell, Mrs. Price and I have been receiving enrollment packets and information for registration for in-district as well as out-of-district students for the 2014-2015 school year.
