

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: August 13, 2024

TITLE: Study/Action of Proposed Addenda Recommendations

BACKGROUND:

On July 9, 2024, Amphitheater Governing Board members were presented with information on recommended changes to the District's Addenda Schedule. The presentation included recommended changes to addenda that support academic, athletic, club, fine arts, and other site/District programs. In addition to the recommended changes to the current addenda, the Governing Board was presented with information on what procedural safeguards must be implemented to ensure equitable practices and expectations are established across the District.

Based on feedback, administration is recommending the previously studied Board item be separated into two distinct Board items, the present item is seeking approval of the changes to addenda amounts, based on monies set aside through the Meet and Confer process. The recommendations, introduced at the July 9, 2024 meeting include a 7.90% increase to most addenda, an equalization of addenda that extend across elementary, middle, and high schools, and the creation of new addenda.

Subsequent to this Board item, a separate item will be submitted proposing the establishment of an application and evaluation process that all sites will adhere to in evaluating the goals and expectations associated with addenda.

To complete the aforementioned expectations, the District Addenda Committee will reconvene during the Fall 2024 semester to study current evaluation instruments and methods used by other departments, such as the Interscholastic Department.

The subsequent item will be submitted to the Governing Board for consideration before the end of the 1st quarter of the Fall 2024 semester.

RECOMMENDATION:

This item is presented to Governing Board as a study/action item with a recommendation for approval of the proposed Addenda Schedule.

INITIATED BY:

Tassi Call
Associate Superintendent for Elementary Education

Matthew Munger
Associate Superintendent for Secondary Education

Date: August 6, 2024

Todd A. Jaeger, J.D., Superintendent
