Dear Superintendent Keevin O'Neill and the Board of Education,

The purpose of this letter is to officially share with you my intent to retire at the completion of the 2019-2020 school year. I joined the Vicksburg Schools family in 1986 as a young and eager teacher. Like most families, there are good times and struggles. I realize that the current situation with Covid-19 is a struggle for many in this community as well as the rest of the world. That is why this suddenly seems such a strange time to be leaving the community I have been a part of for so many years. I have so many fond memories of my time here in Vicksburg. I wish all of you the best in the years to come and will always look back with gratitude for the memorable relationships formed over the years. If there is anything I can do to make this transition easier, please don't hesitate to ask.

Sincerely,

Donna Sink
